DID YOU NOSE?

Cats have scent glands in their paws! They scratch furniture to leave their smell and warn other cats off their territory.

The smell of human feet is so strong a tracker dog can follow a person after several days, even where other feet have been!

A dog's sense of smell is 250,000 times more sensitive than a human's - some dogs can smell a pound of sausages a mile away!

Fish find their way round using their sense of smell. Their nostrils are very small holes just above their mouths.

Animals that live in large numbers, such as guinea pigs or sheep, know which animal is which by its special smell.

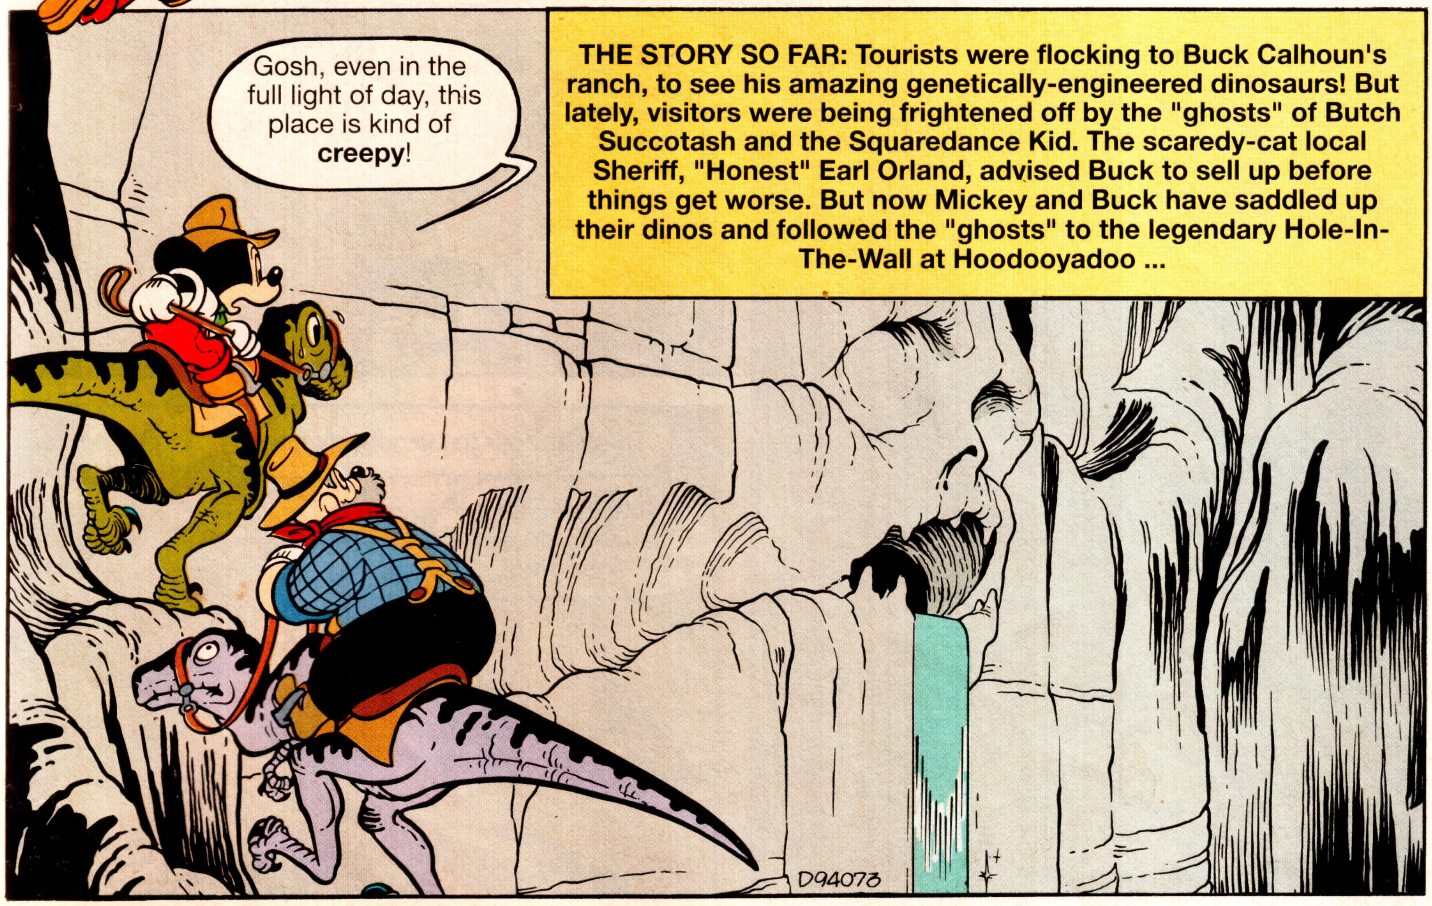
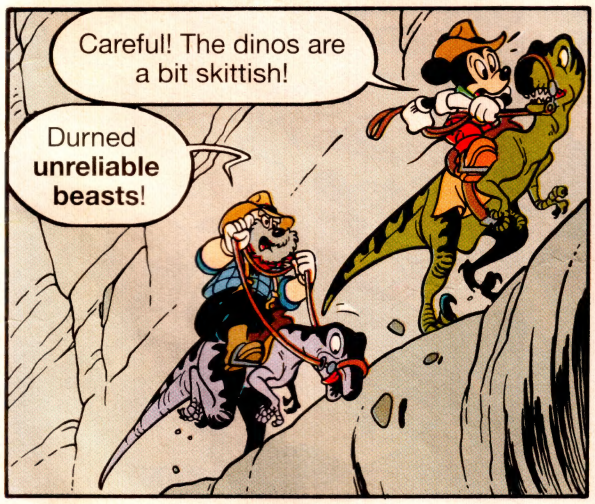
MICKEY MOUSE

Hole In The Wall At Hoodooyadoo (Part 2)

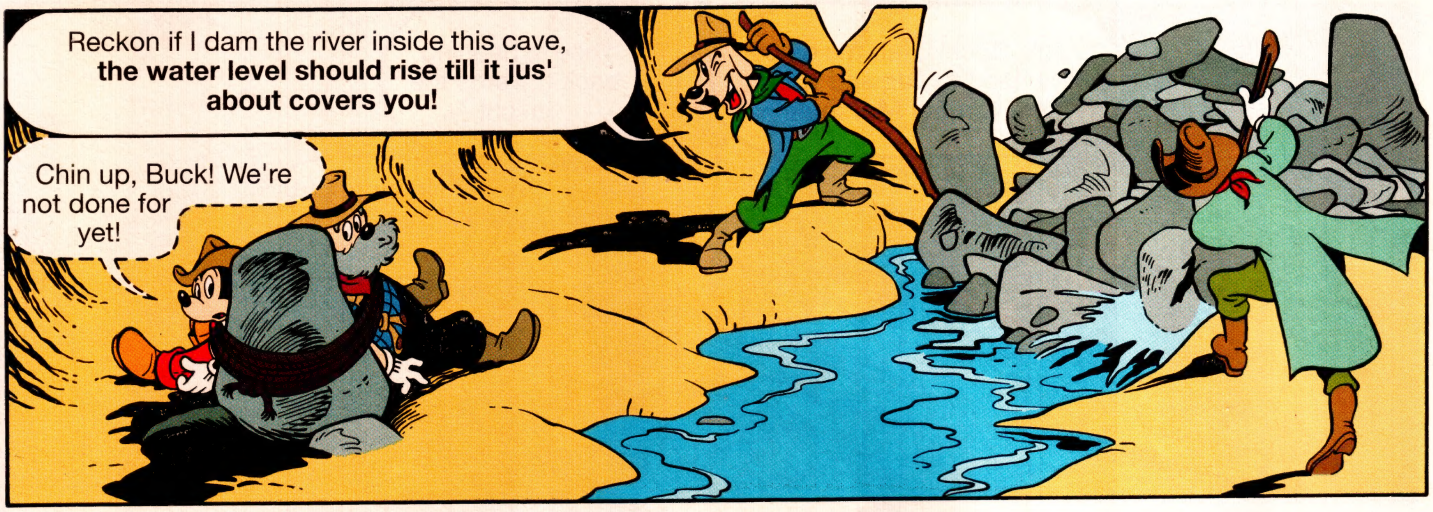


Gosh, even in the full light of day, this place is kind of **creepy**!
THE STORY SO FAR: Tourists were flocking to Buck Calhoun's ranch, to see his amazing genetically-engineered dinosaurs! But lately, visitors were being frightened off by the "ghosts" of Butch Succotash and the Squaredance Kid. The scaredy-cat local Sheriff, "Honest" Earl Orland, advised Buck to sell up before things get worse. But now Mickey and Buck have saddled up their dinos and followed the "ghosts" to the legendary Hole-In-The-Wall at Hoodooyadoo ...
D94073

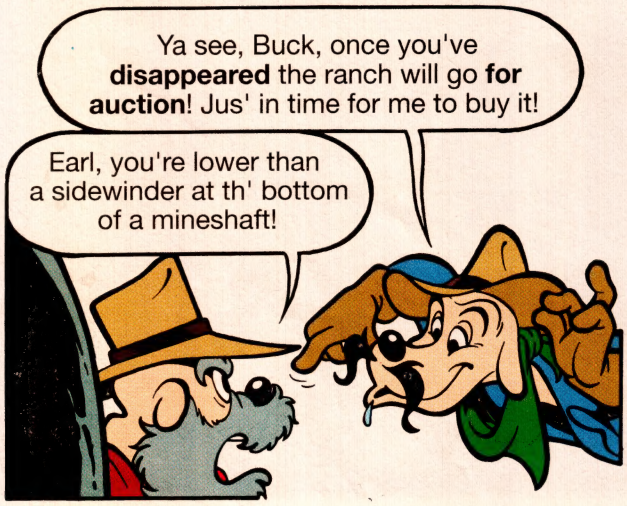


Well, I'll be danged! I never thought I'd stand in the entrance to **Hole-In-The-Wall**!
Let's have a poke round inside, Buck.
Stay here and relax, fellas. Everything'll be fine!
Rrrrrrmm?
Don't appear to be nobody home!
That gives us a chance to do some **snooping**!
Hoss! I found somethin'!
Watches! Wallets! Cameras! All the stuff stolen from the tourists!
Get 'em!
Awk!
Oof!
So you're a **ghost**, eh? So let's see who's **really** behind this mask!
NO!
Sheriff "Honest" Earl Orland!
And his good-for-nothin' **deputy**!

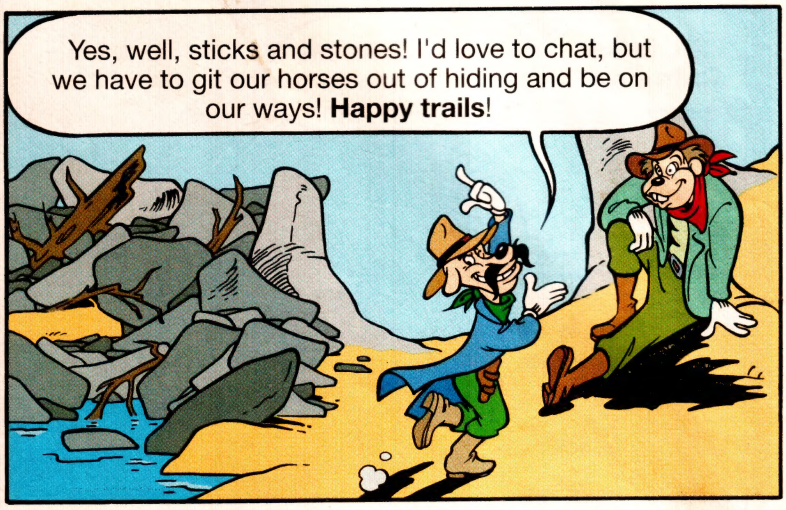
Quick, Buck! Grab the dinos! We need to ride and warn the **County Marshall**!
They're heading back towards the ranch!
No more **guts** than homin' pigeons!
Wait, fellas! Calm down!
Tarnation! All this commotion's **spookin'** 'em!
BANG!
BANG!
Aw, too bad! Looks like you boys are in big trouble!
(Ulp!)
I was jealous of you, Buck, getting rich off those... those **monsters**! That's why I figured I'd drive your ranch into **bankruptcy**!
I figured you'd **have to sell**! Then I'd pick up the ranch dirt cheap!
But **now**... heh heh heh... I've got a **better** idea!
Uh-oh...



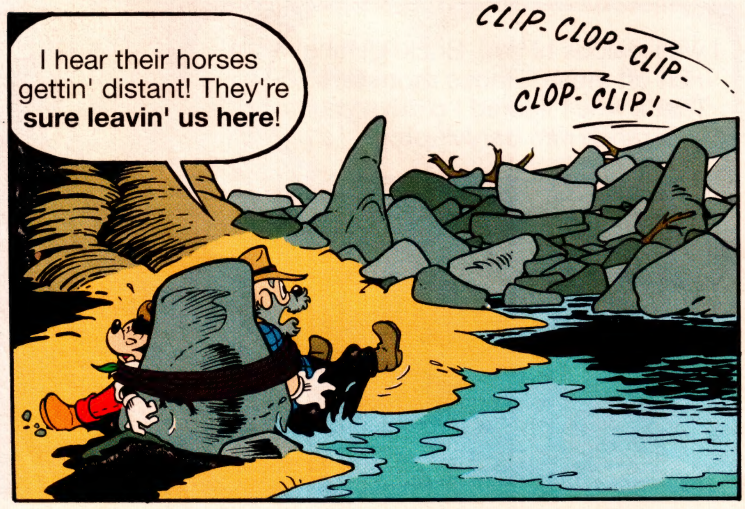
Reckon if I dam the river inside this cave, **the water level should rise till it jus' about covers you!**
Chin up, Buck! We're not done for yet!



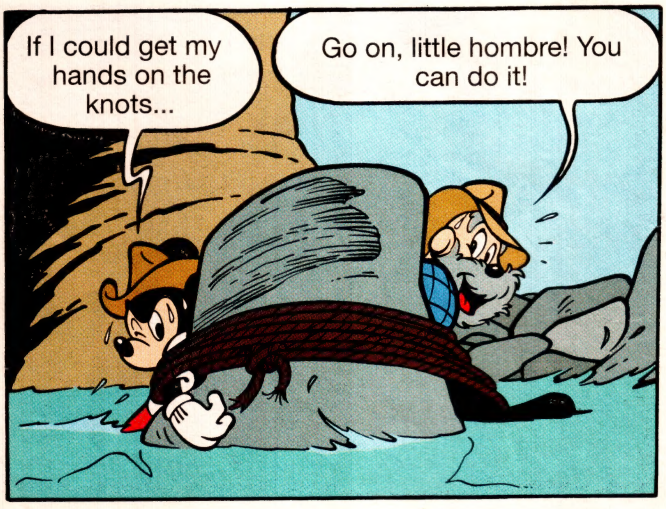
Ya see, Buck, once you've **disappeared** the ranch will go **for auction**! Jus' in time for me to buy it!
Earl, you're lower than a sidewinder at th' bottom of a mineshaft!



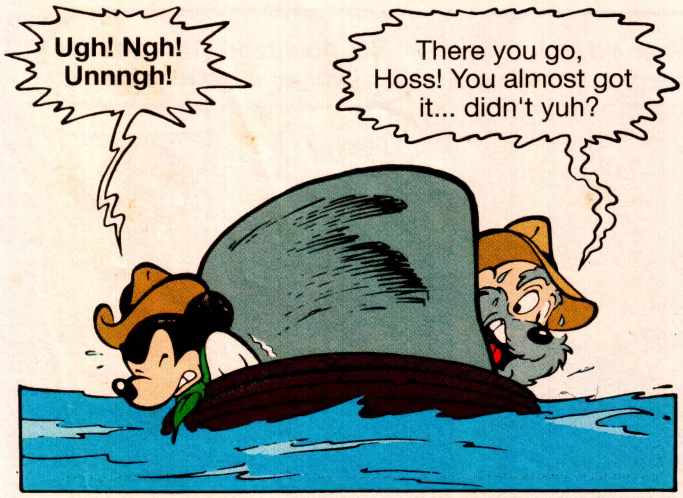
Yes, well, sticks and stones! I'd love to chat, but we have to git our horses out of hiding and be on our ways! **Happy trails**!



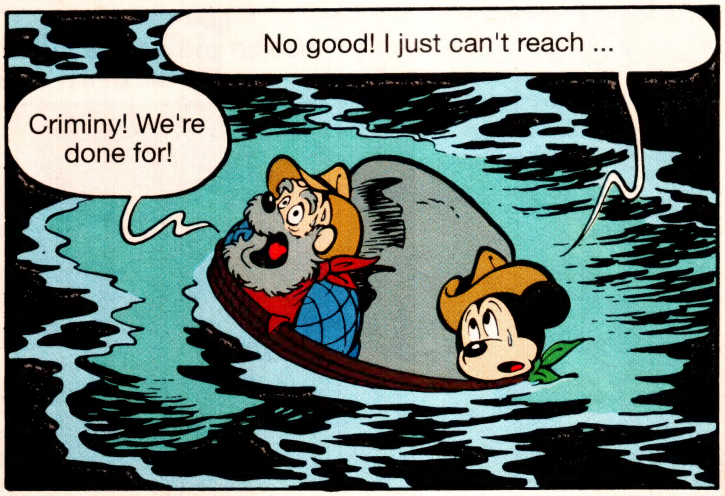
I hear their horses gettin' distant! They're **sure leavin' us here**!
CLIP-CLOP-CLIP-
CLOP-CLIP!



If I could get my hands on the knots...
Go on, little hombre! You can do it!



Ugh! Ngh! Unnngh!
There you go, Hoss! You almost got it... didn't yuh?

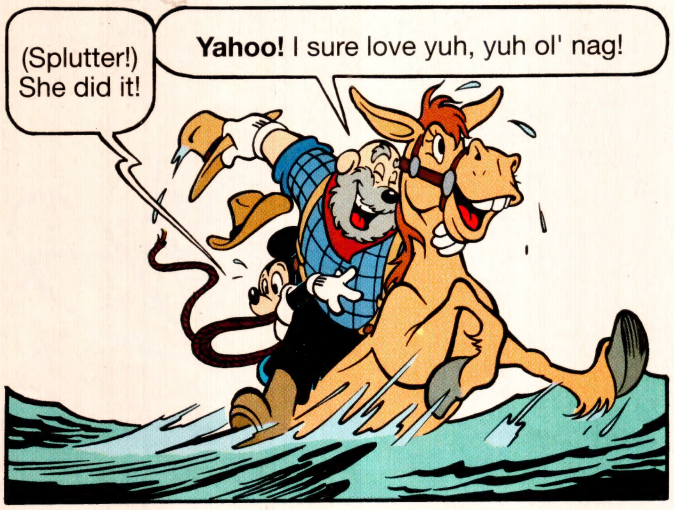


No good! I just can't reach ...
Criminy! We're done for!

Waitaminute! I hear a **horse** comin' this way!
It can't be! (Glug!) Are they coming back?
CLIP-CLOP-
CLIP-CLOP-
CLIP
SAL!
Yeeehah! C'mon, ol' gal! Get us outta this fix!
But what can she (glug!) do?
You jus' watch!
CHOMP!
You trusty, moth-eaten ol' plug! Talk 'bout a sight for sore eyes!
She must've jumped the corral fence... and tagged along the whole way! **That's** the sound we heard behind us!
They don't make 'em no better'n **this** girl!
Let's ride! Maybe there's still a chance to nab Earl!

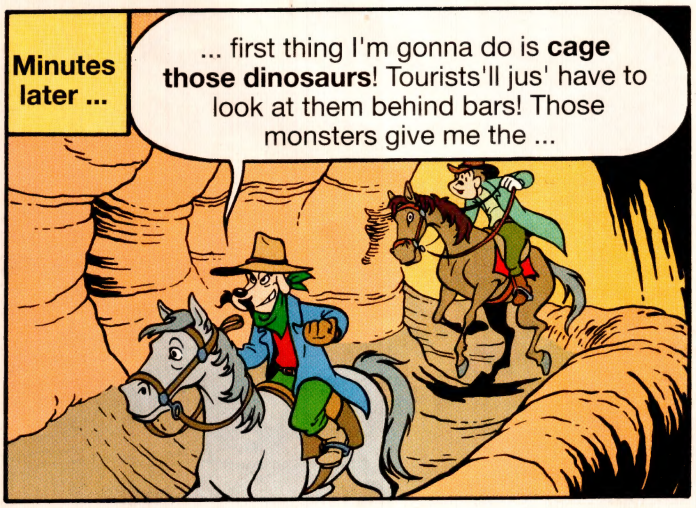
Look! **There** they are...
... down in the canyon, making their way down-river!
They've got a big head start. I don't reckon we'll ever be able to catch up with them!
Uh... Sal? Are you thinkin' what I think you're thinkin'?
Yipes! That's my gal!
Hang on!

KER-SPLOOSH!



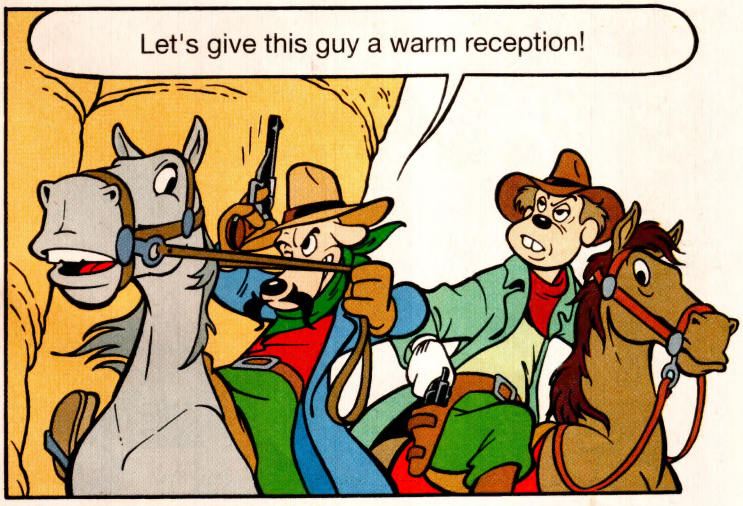
(Splutter!) She did it!
Yahoo! I sure love yuh, yuh ol' nag!

Those two villains haven't seen us yet. Let the river current take us ahead of them - I've got an idea!

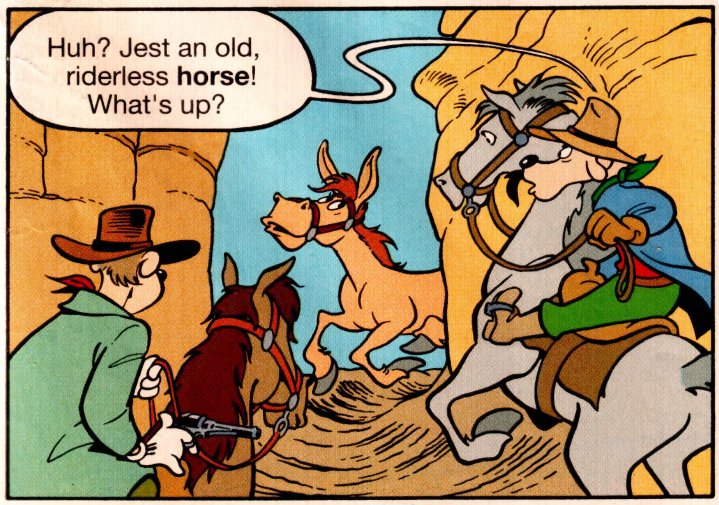


Minutes later ...
... first thing I'm gonna do is **cage those dinosaurs**! Tourists'll jus' have to look at them behind bars! Those monsters give me the ...

Hsst! Listen up! I can hear a rider comin'!
CLIPPITY-CLIPPITY-CLOP!



Let's give this guy a warm reception!



Huh? Jest an old, riderless **horse**! What's up?

We are, "Honest" Earl! An' it looks like **you're** in big trouble now!
Wha ...?

Yippie-tie-yay! It's round-up time!
Looks like we jus' wrangled a couple o' strays!
Argh!
And so...
Now the only thing left is to get these "ghosts" to the County Marshall!
That's not quite all!
I'm awful ashamed o' my behaviour, ol' gal! From now on, there's gonna be some changes on the ranch!
Later ...
Look at you two! Pardner, I guess this just goes to show a man's best friend is his horse!

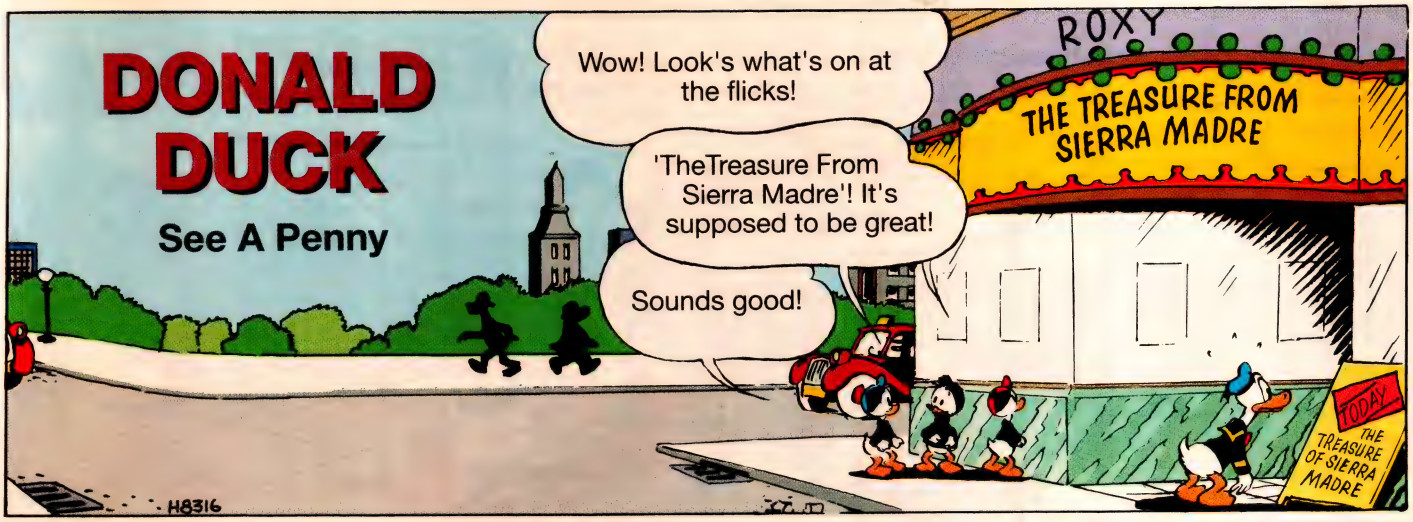
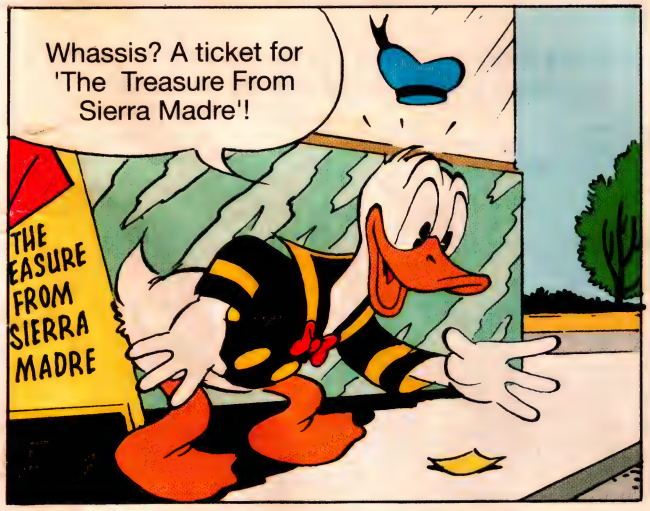
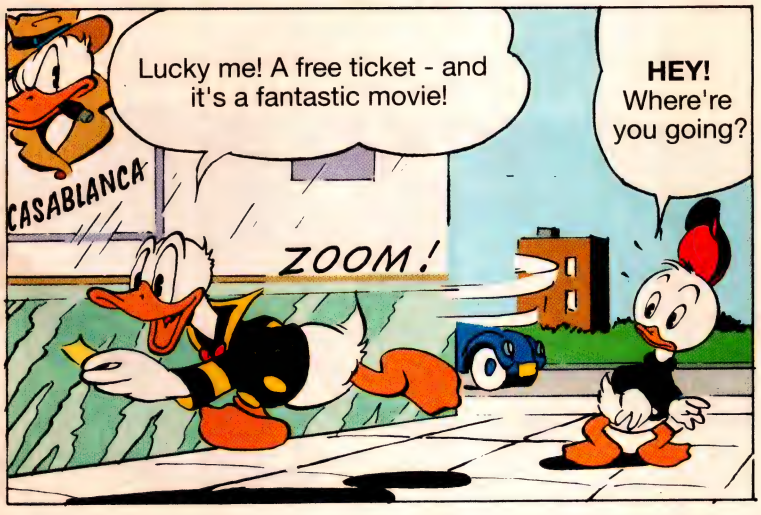
DONALD DUCK

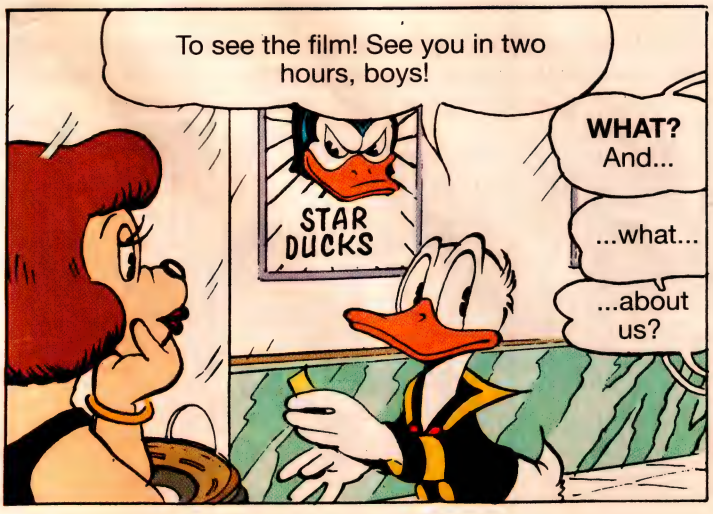
See A Penny

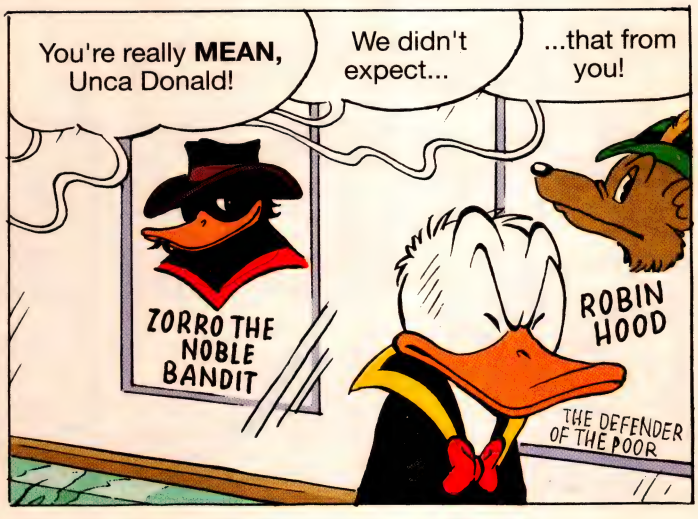


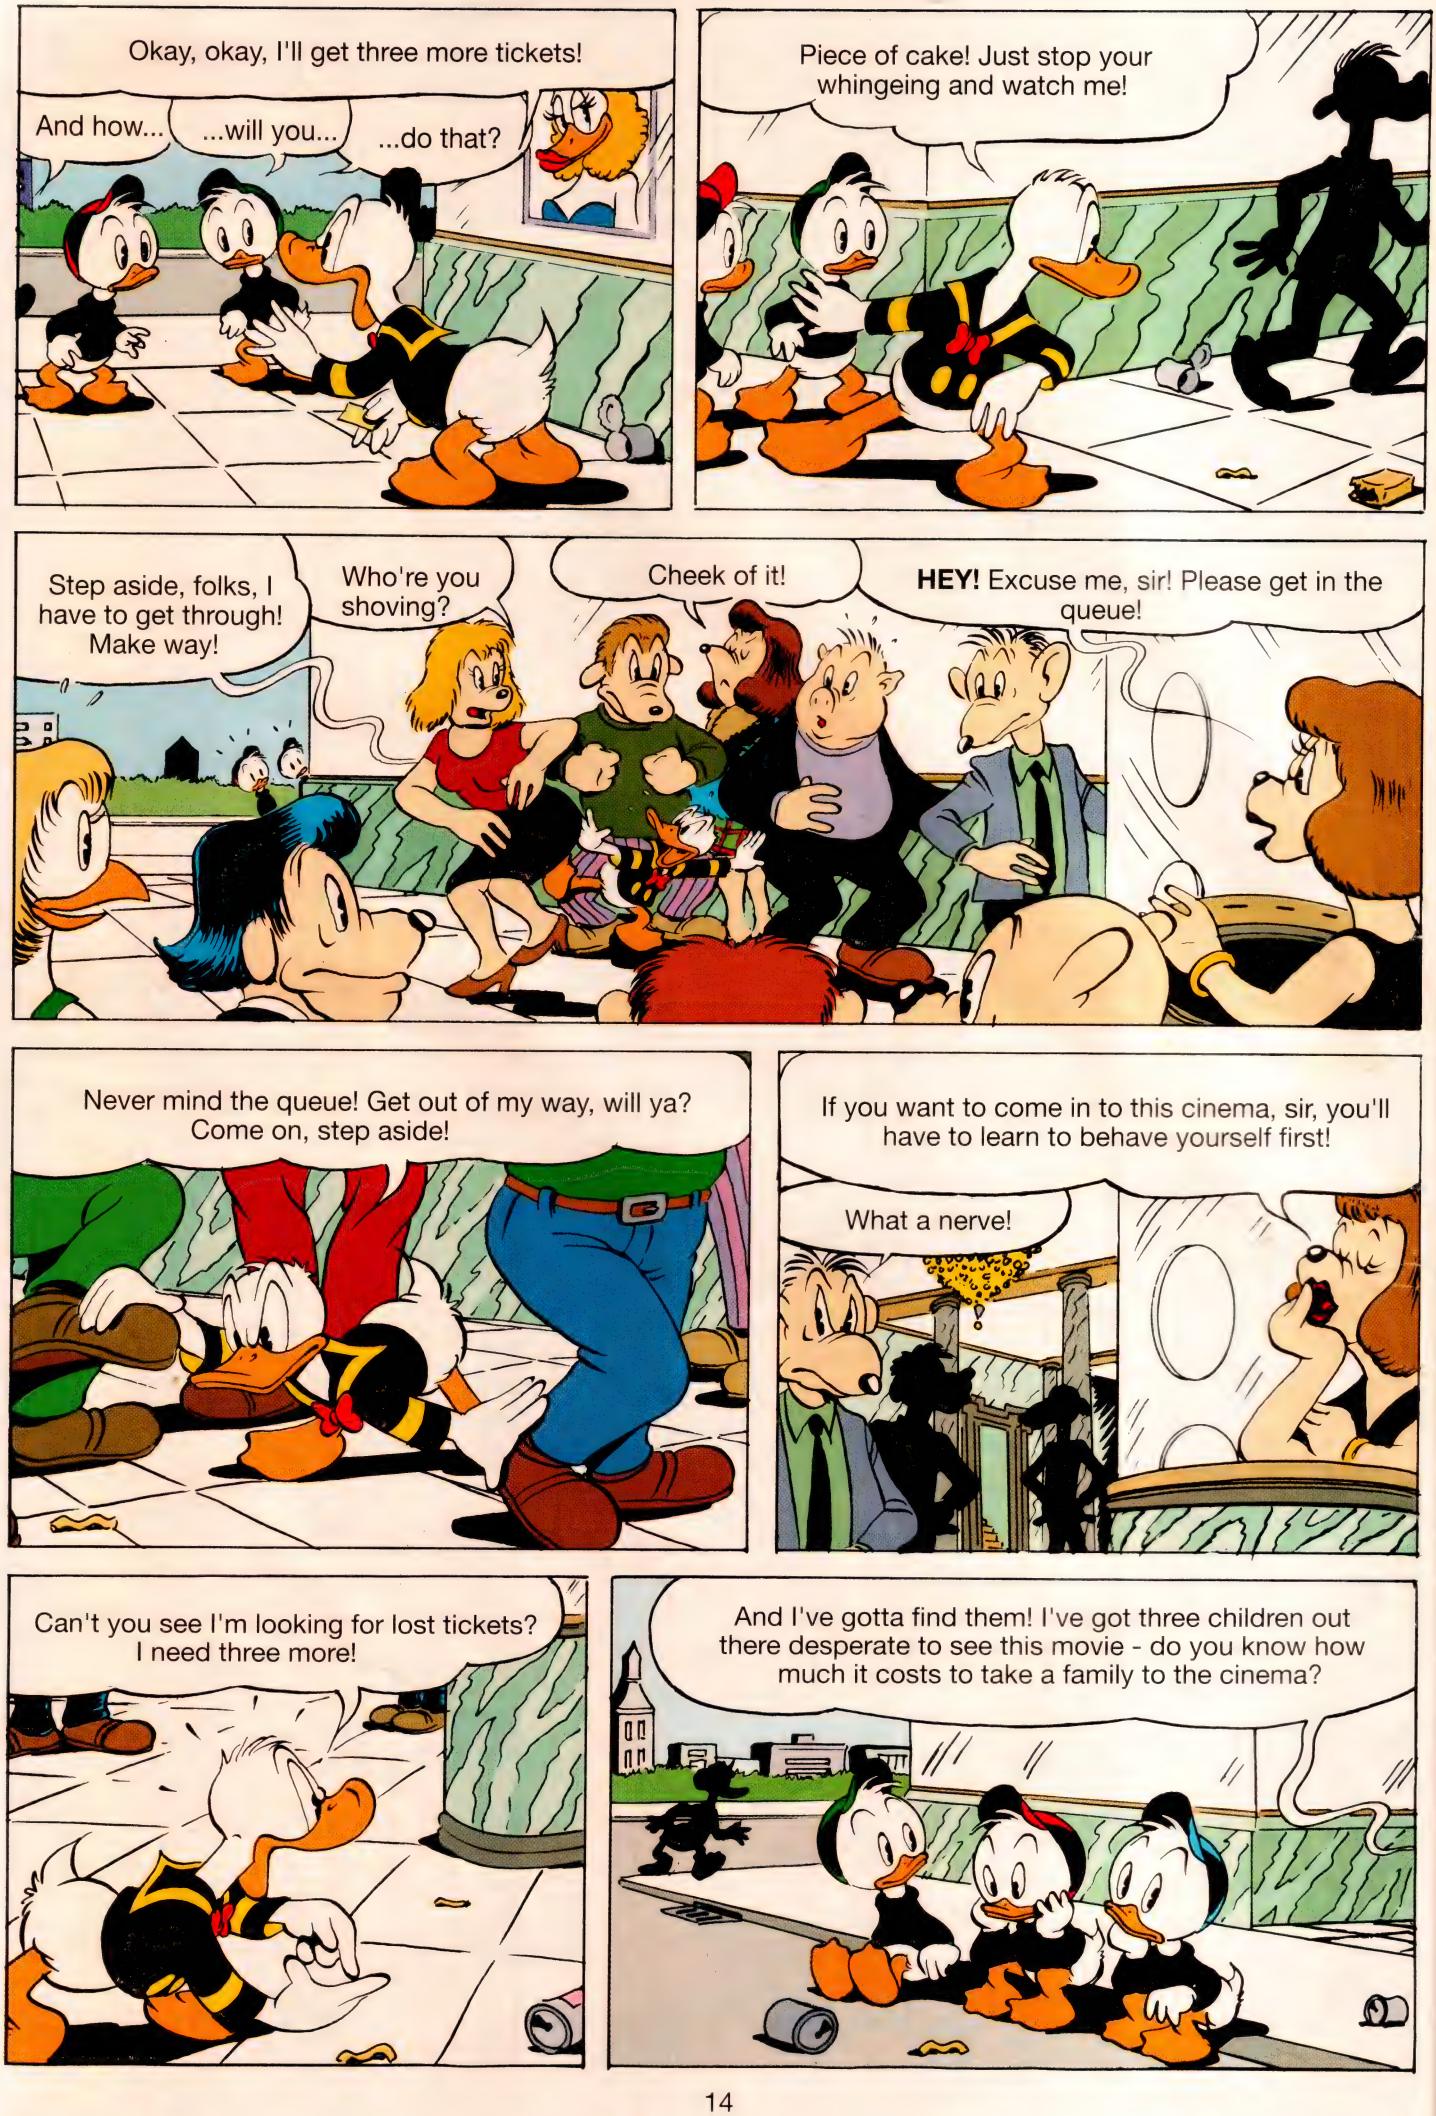
It says here the film is about gold diggers!
Gold diggers were really tough guys! Hard as nails, they were!
Gosh, I'd have liked to go gold-digging!



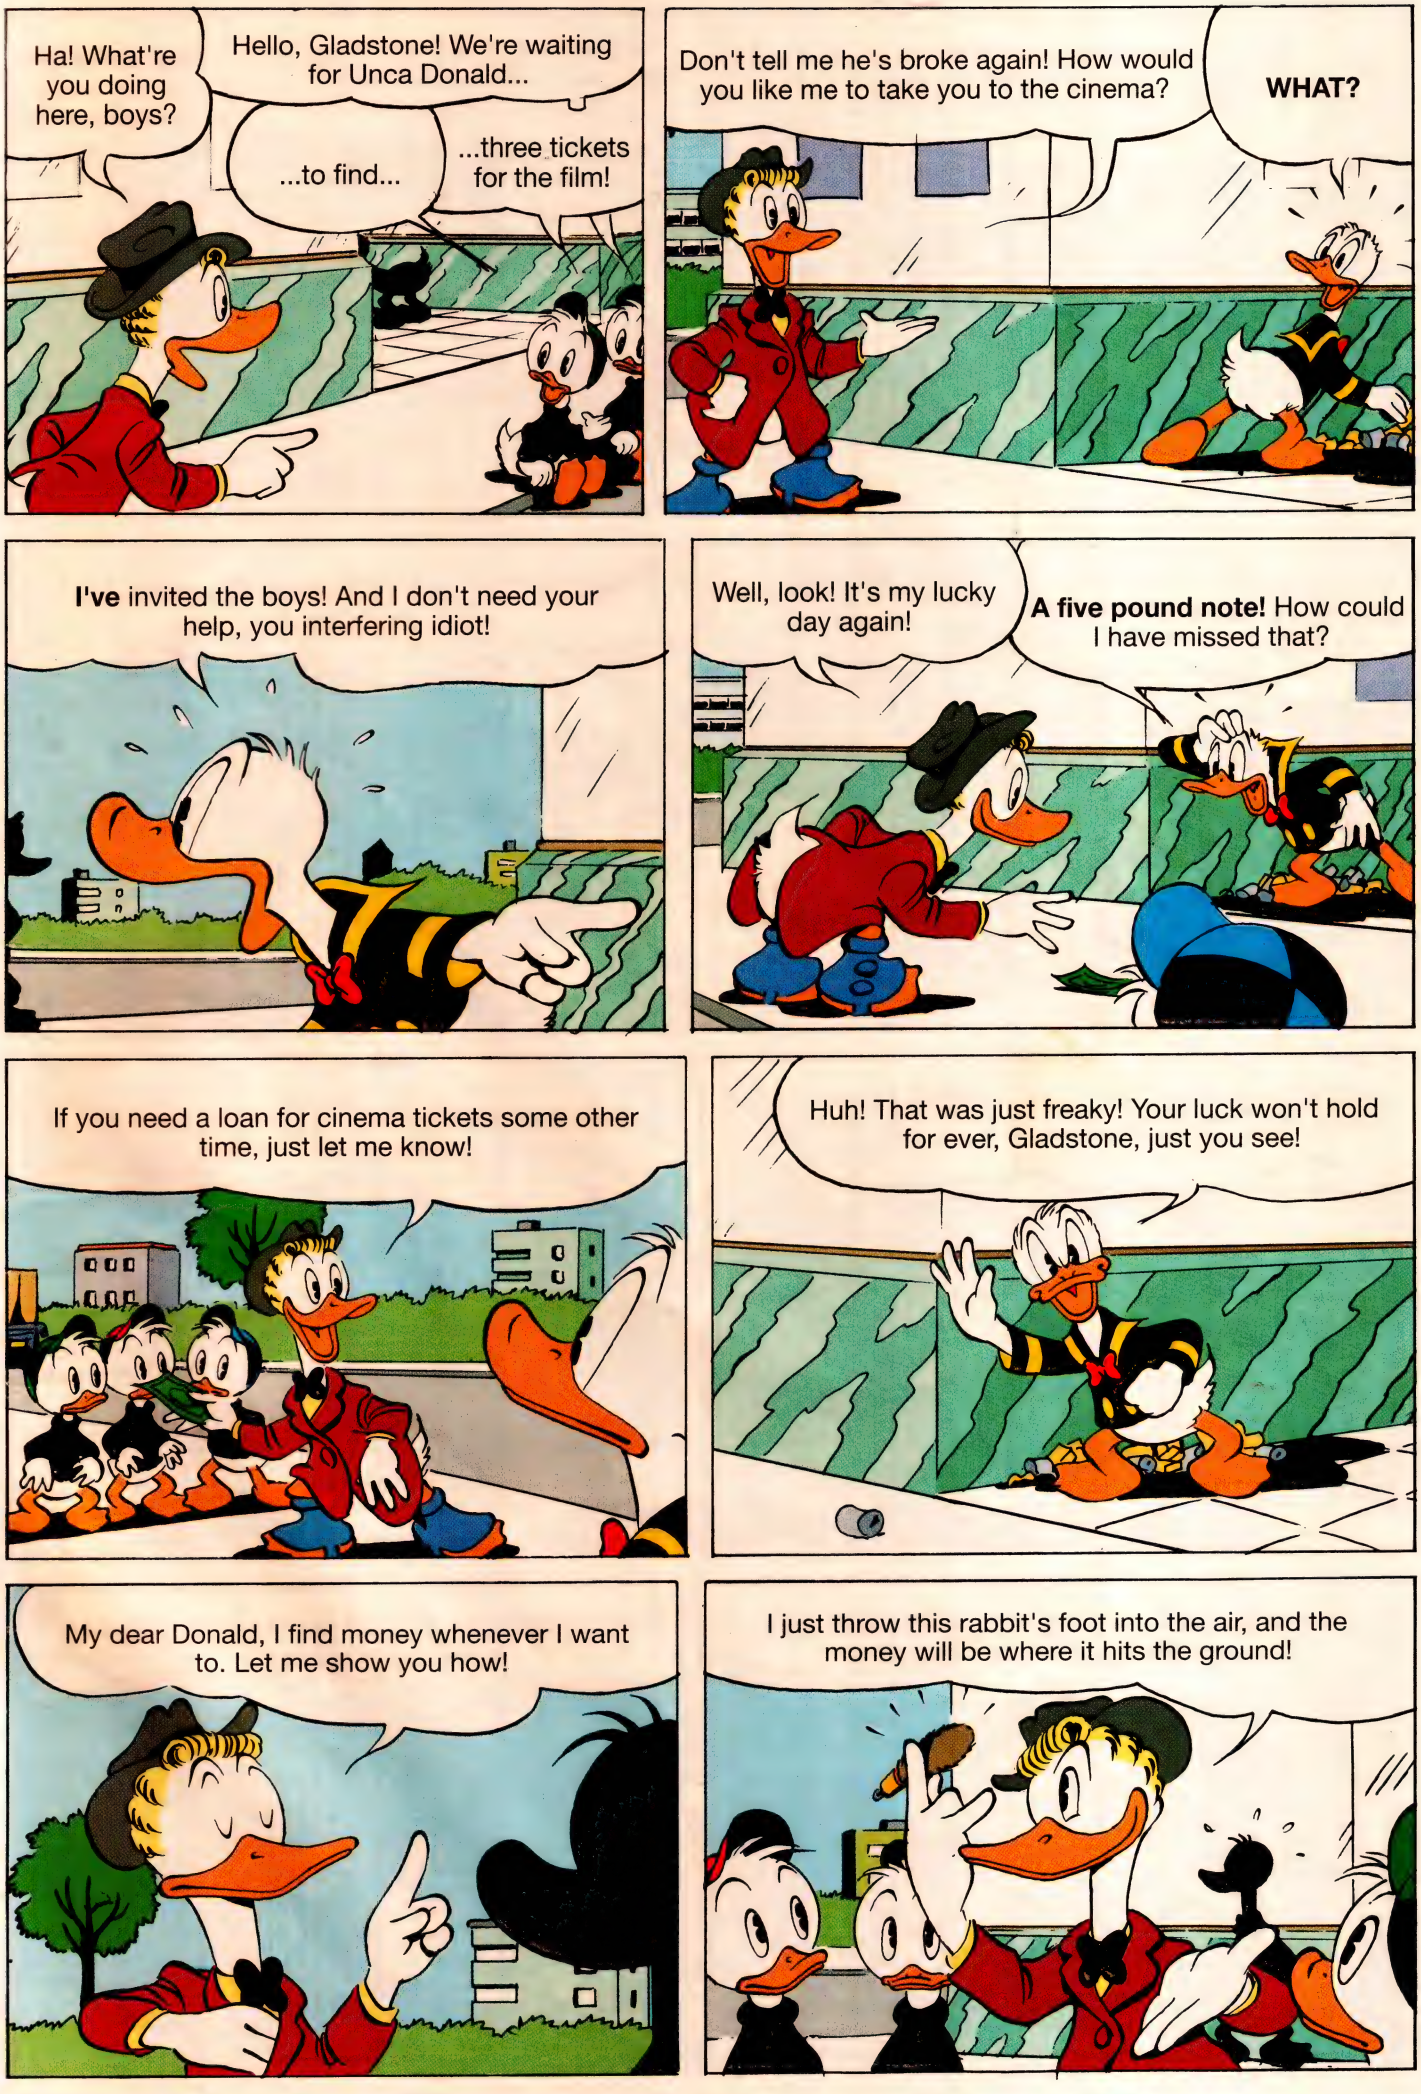








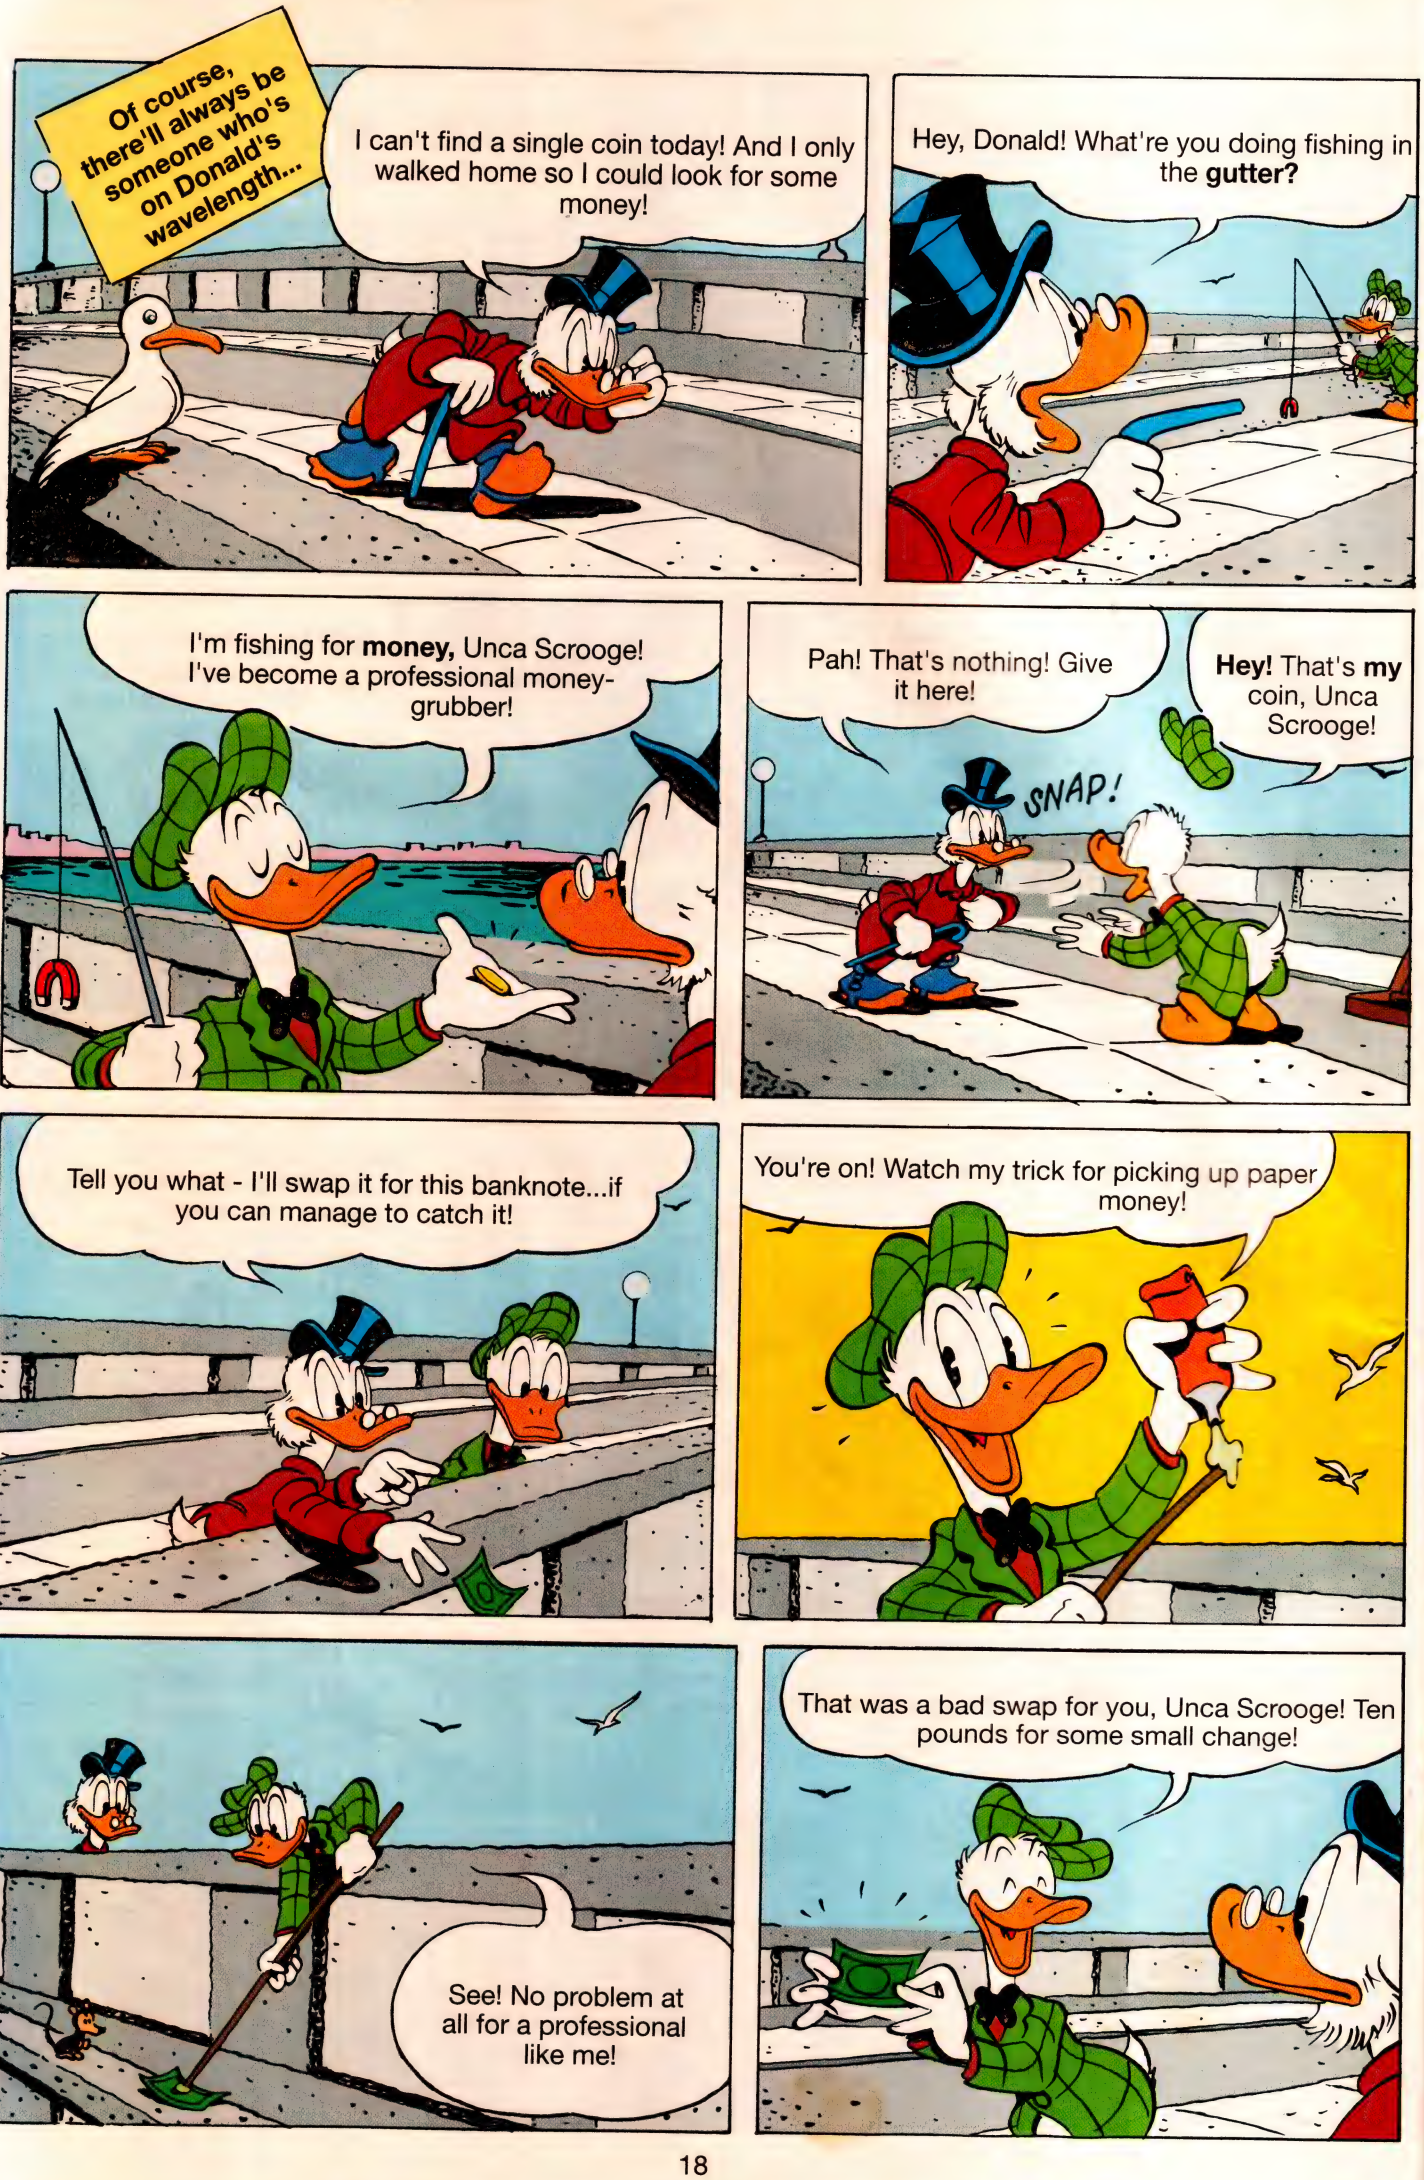
Okay, okay, I'll get three more tickets!
And how...
...will you...
...do that?
Piece of cake! Just stop your whingeing and watch me!
Step aside, folks, I have to get through! Make way!
Who're you shoving?
Cheek of it!
HEY! Excuse me, sir! Please get in the queue!
Never mind the queue! Get out of my way, will ya? Come on, step aside!
If you want to come in to this cinema, sir, you'll have to learn to behave yourself first!
What a nerve!
Can't you see I'm looking for lost tickets? I need three more!
And I've gotta find them! I've got three children out there desperate to see this movie - do you know how much it costs to take a family to the cinema?



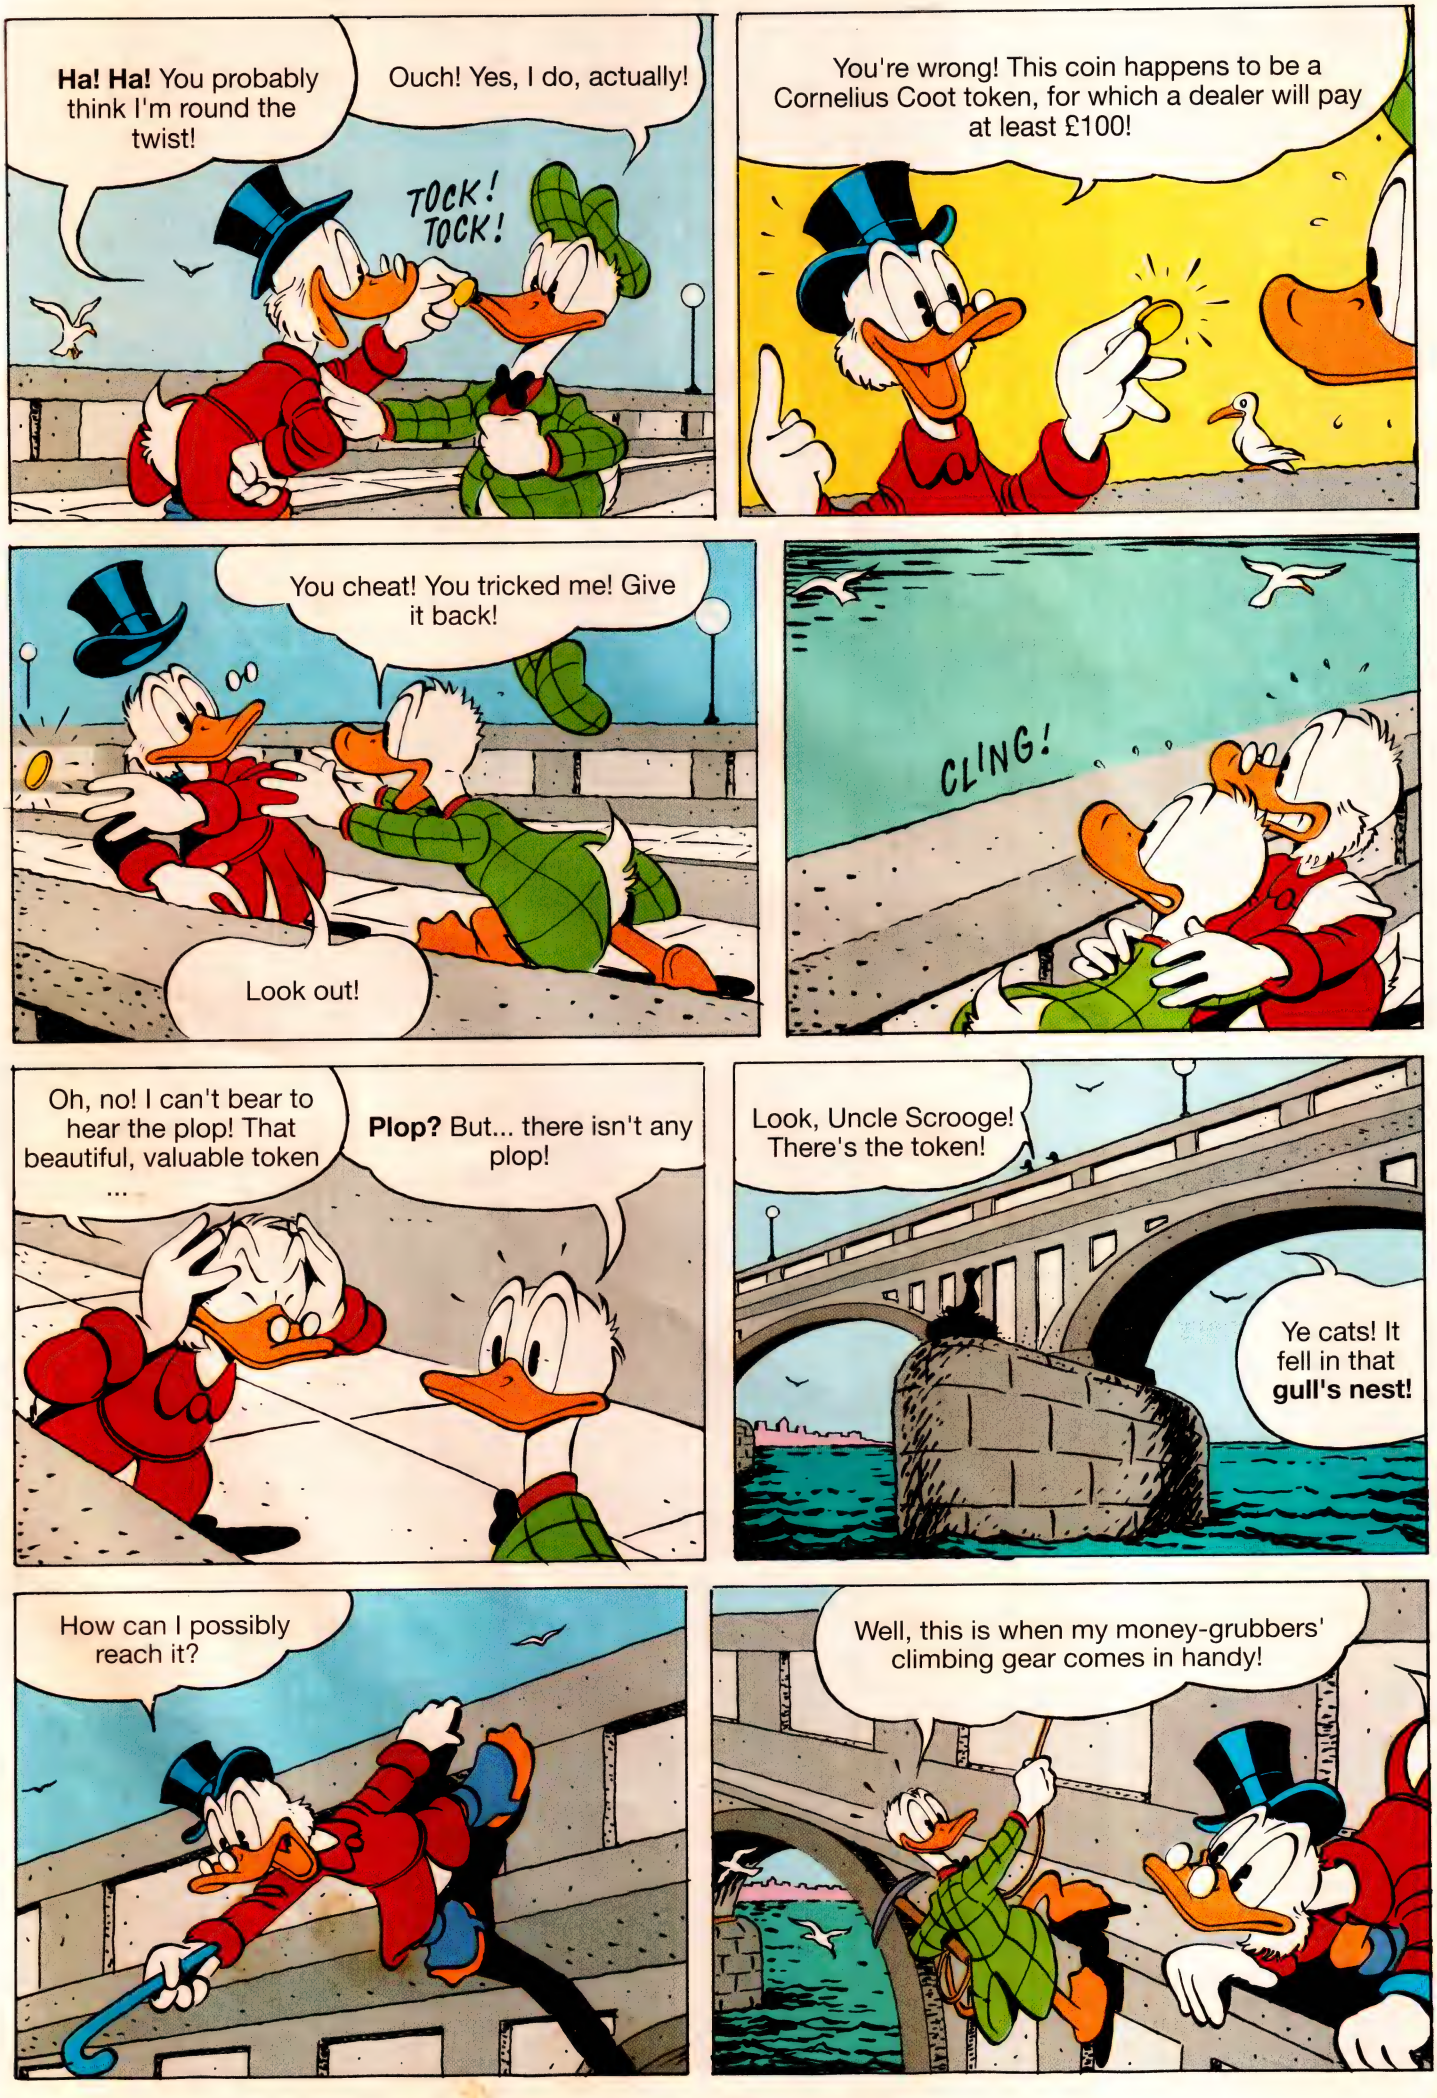
Ha! What're you doing here, boys?
Hello, Gladstone! We're waiting for Unca Donald...
...to find...
...three tickets for the film!
Don't tell me he's broke again! How would you like me to take you to the cinema?
WHAT?
I've invited the boys! And I don't need your help, you interfering idiot!
Well, look! It's my lucky day again!
A five pound note! How could I have missed that?
If you need a loan for cinema tickets some other time, just let me know!
Huh! That was just freaky! Your luck won't hold for ever, Gladstone, just you see!
My dear Donald, I find money whenever I want to. Let me show you how!
I just throw this rabbit's foot into the air, and the money will be where it hits the ground!

Now, let's see ... I shall need another five pounds to buy you ice creams, chips and lemonade!
There you go! Five pounds - and here's another one! Shall I treat you to a lolly, Donald?
That's enough!
Tsk! They're fighting again!
Let's go home and watch telly!
The film's started now, anyway!
SLAP! BONK!
See! The boys have had enough! They don't like big-heads like you!
What an ungrateful bunch of relatives I've got! I'm going home!
Good! We don't need you around here, Gladstone!
ZOOM!
This is one of Donald's good days - he's got an idea!
If Gladstone can find money in the street, so can I!
DONALD DUCK MONEY FINDER
Stay close to me, sir, if you sincerely want to become rich! Watch and learn!
That rabbit's foot is a load of rubbish! This is the age of science!
BEEP! WHIR!

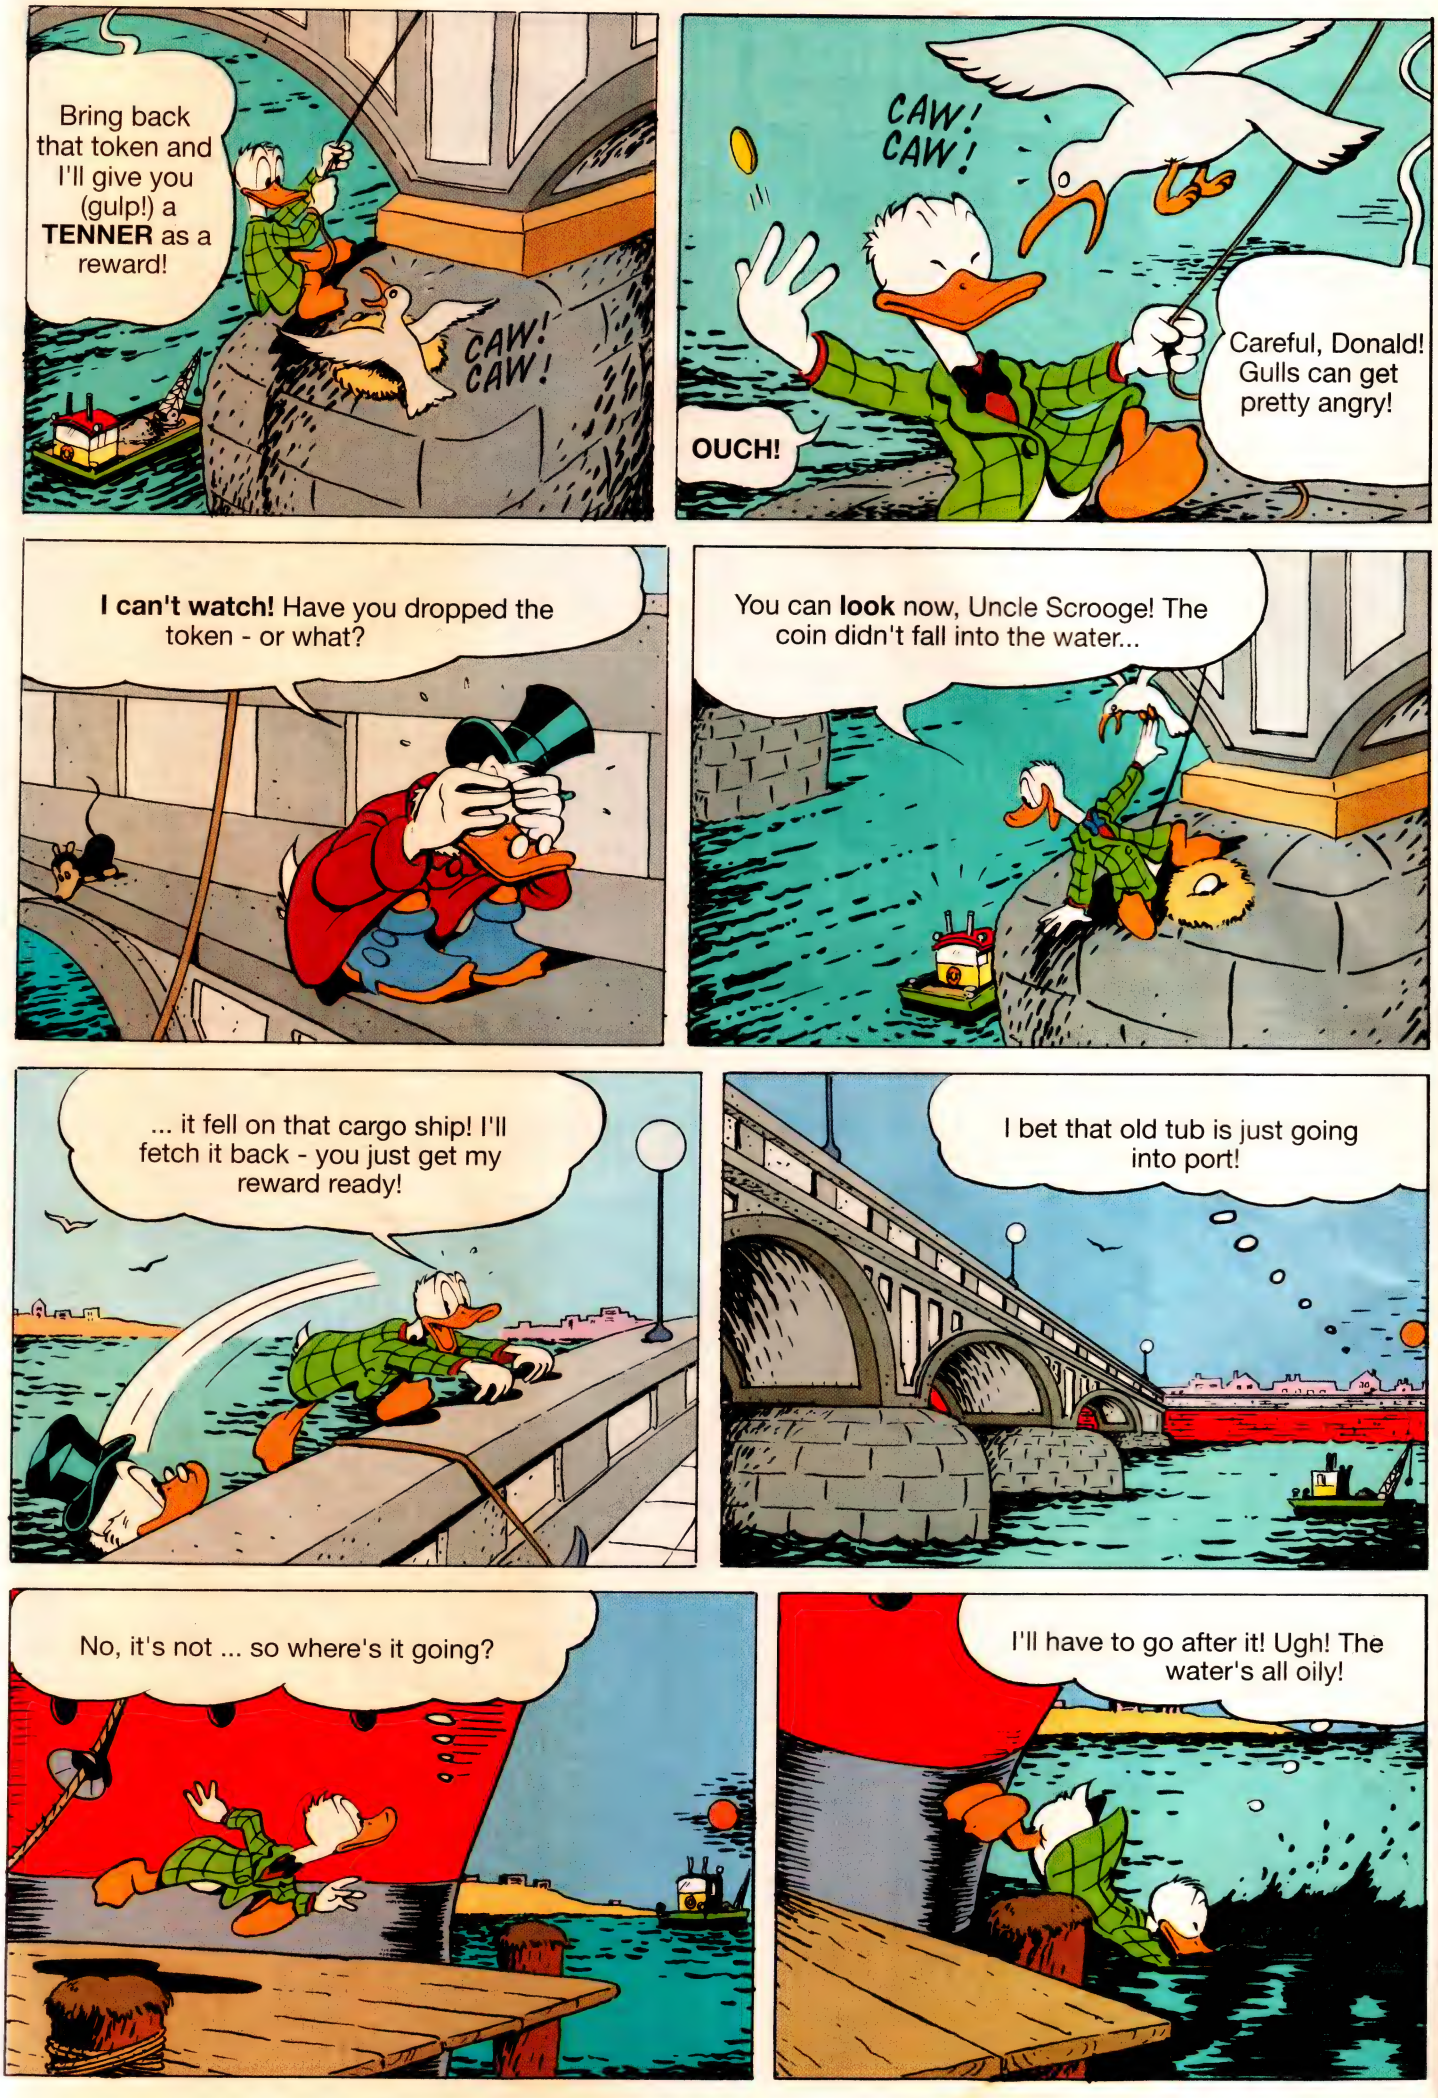
See! We professional money-grubbers use a genuine **METAL DETECTOR!**
As soon as it gets close to a lost coin it beeps - and then we use the fishing rod!
PLONK!
Aha! Here's the first one!
DRIP!
And to make sure nothing escapes us, we professionals use a periscope...
PLONK!
...and a magnet for the final check!
SLURP!
Oh, how awful! Look at that disgusting duck!
Fancy poking about like that in the drain!
Are you sure it's a duck and not a pig?
SLURP!
Bah! You're just jealous! Look, I've found a coin already!
SLURP!
Huh! Some people will do just **anything** for money!
Why doesn't he get a proper job?
It's a **disgrace!**
Listen to me, will ya...



Of course, there'll always be someone who's on Donald's wavelength...
I can't find a single coin today! And I only walked home so I could look for some money!
Hey, Donald! What're you doing fishing in the **gutter?**
I'm fishing for **money,** Unca Scrooge! I've become a professional money-grubber!
Pah! That's nothing! Give it here!
Hey! That's **my** coin, Unca Scrooge!
SNAP!
Tell you what - I'll swap it for this banknote...if you can manage to catch it!
You're on! Watch my trick for picking up paper money!
See! No problem at all for a professional like me!
That was a bad swap for you, Unca Scrooge! Ten pounds for some small change!

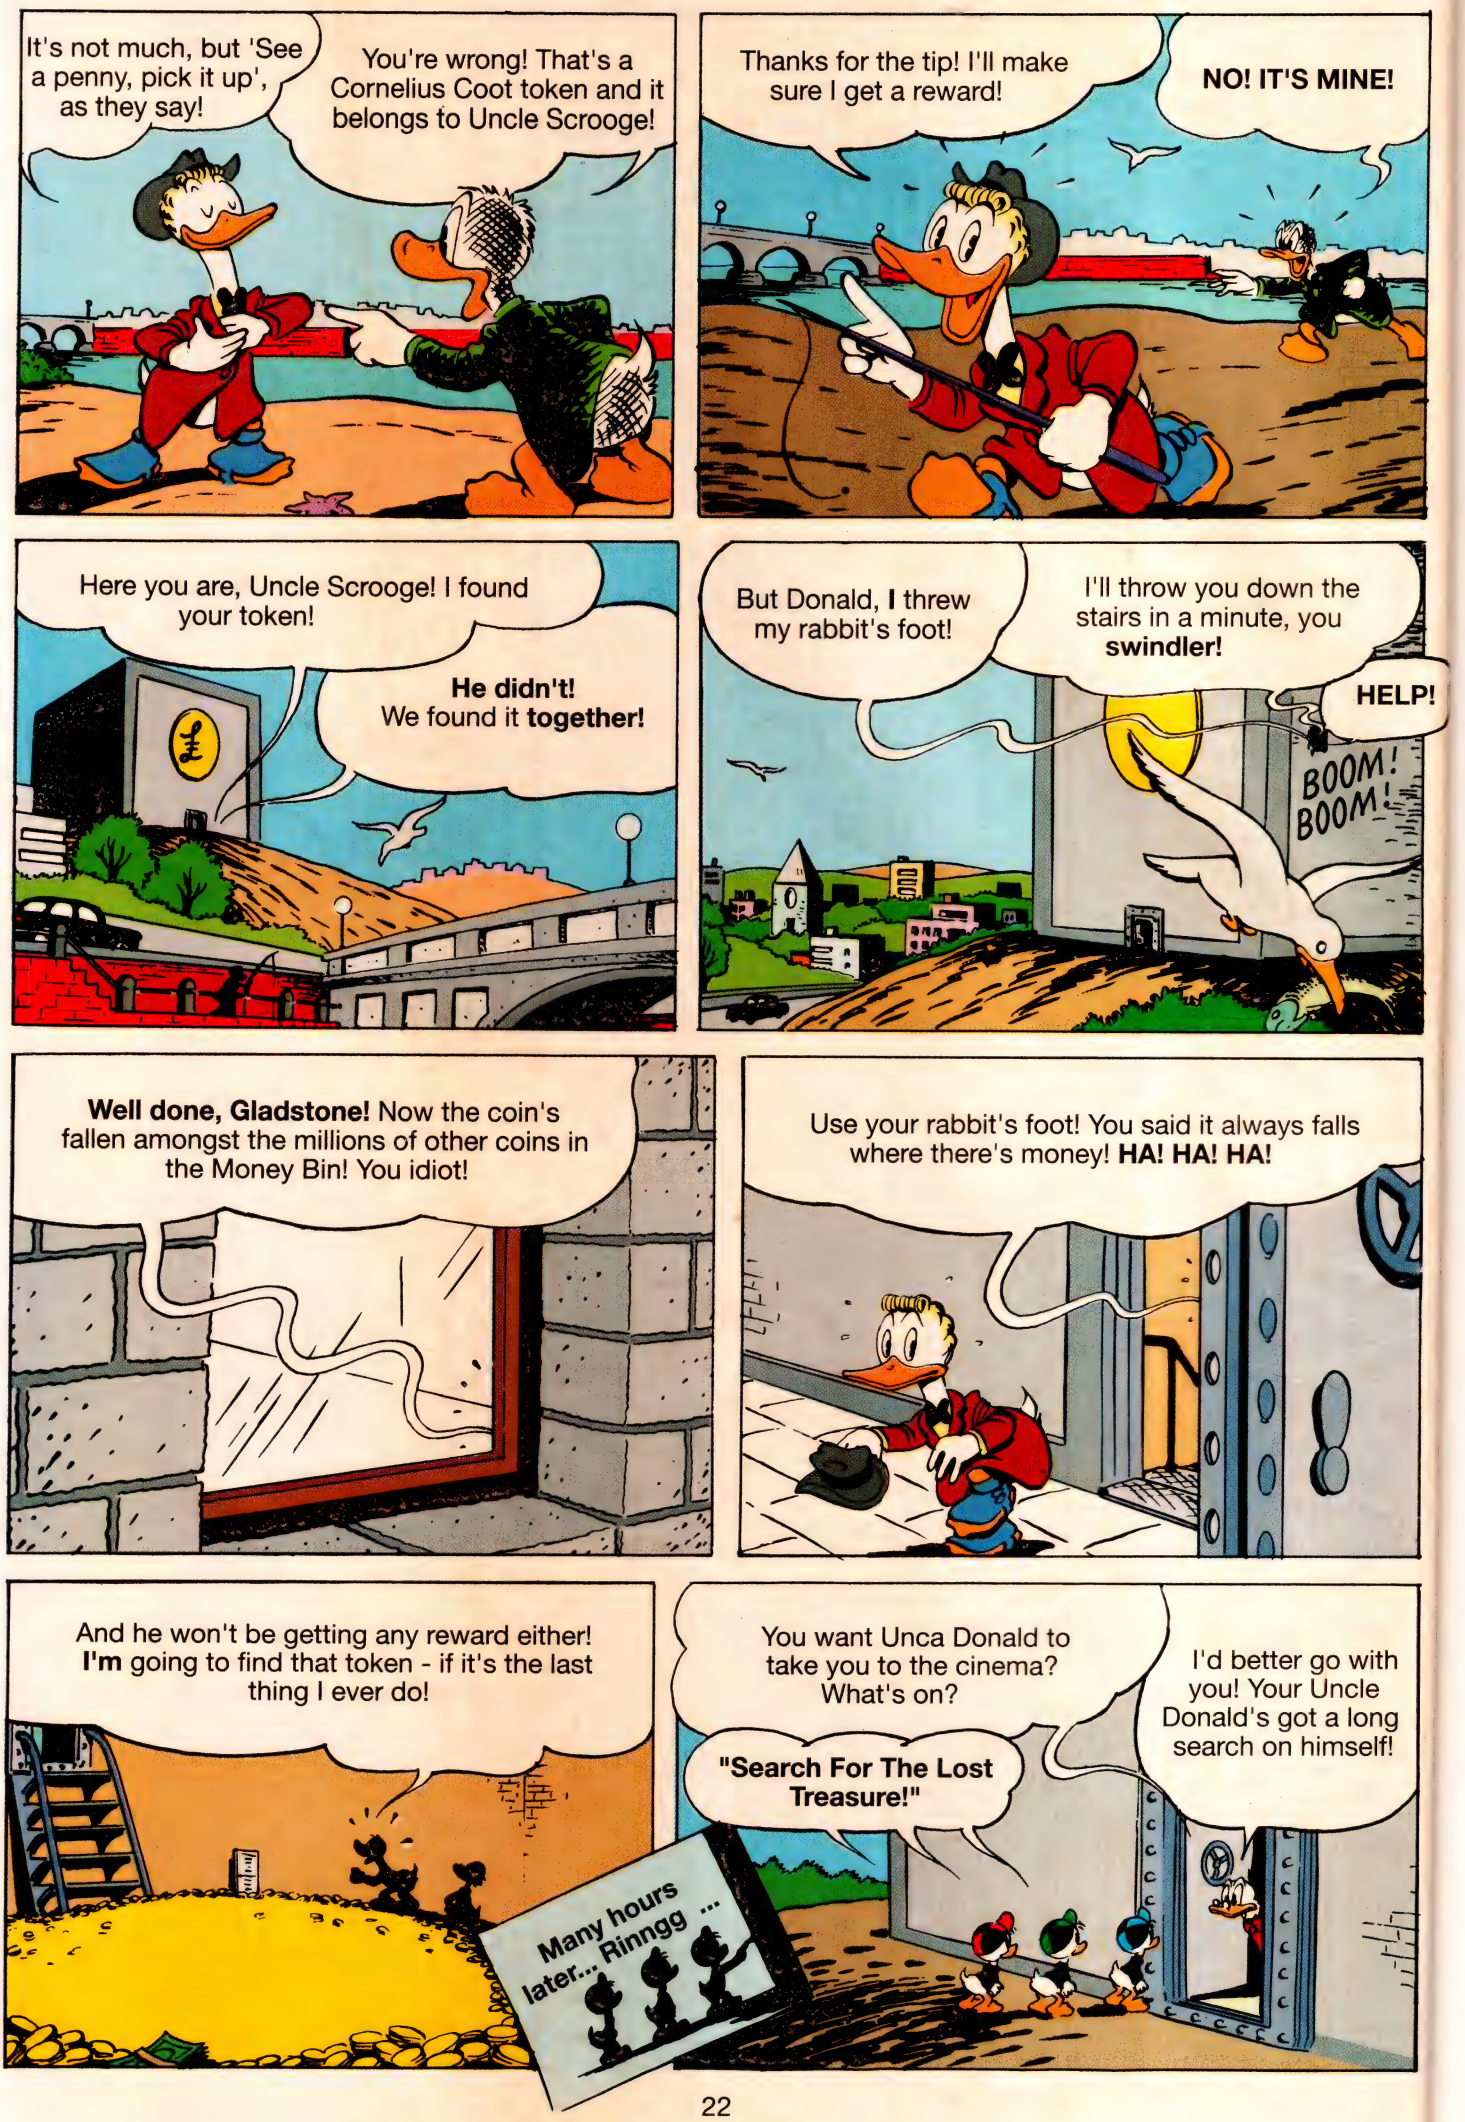


Ha! Ha! You probably think I'm round the twist!
Ouch! Yes, I do, actually!
TOCK! TOCK!
You're wrong! This coin happens to be a Cornelius Coot token, for which a dealer will pay at least £100!
You cheat! You tricked me! Give it back!
Look out!
CLING!
Oh, no! I can't bear to hear the plop! That beautiful, valuable token ...
Plop? But... there isn't any plop!
Look, Uncle Scrooge! There's the token!
Ye cats! It fell in that gull's nest!
How can I possibly reach it?
Well, this is when my money-grubbers' climbing gear comes in handy!



Bring back that token and I'll give you (gulp!) a **TENNER** as a reward!
CAW! CAW!
CAW! CAW!
OUCH!
Careful, Donald! Gulls can get pretty angry!
I can't watch! Have you dropped the token - or what?
You can **look** now, Uncle Scrooge! The coin didn't fall into the water...
... it fell on that cargo ship! I'll fetch it back - you just get my reward ready!
I bet that old tub is just going into port!
No, it's not ... so where's it going?
I'll have to go after it! Ugh! The water's all oily!

I can't swim in this - it makes my feathers all sticky! I'll have to climb on this old barrel, even though it stinks of fish!
HERRING
A cat on board! I could do without you, shipmate!
HERRING
A dump! And that ship's just unloaded a cargo of bottle tops on to it! Somewhere among them must be the Cornelius Coot token - lucky I brought my magnet!
Yikes! There's a load of screws on the dump! That makes my magnet useless!
TINKLE!
But every cloud has a silver lining ...
Lovely day for fishing! **Hey!** Donald! What're you looking for down there?
Nothing! I'm not looking for **anything**! Scram!
Pardon me! I only asked ...
This looks an interesting dump, though ...
Let's see if I can find something! You never know your luck...
ZIP!
THE TOKEN!



It's not much, but 'See a penny, pick it up', as they say!
You're wrong! That's a Cornelius Coot token and it belongs to Uncle Scrooge!
Thanks for the tip! I'll make sure I get a reward!
NO! IT'S MINE!
Here you are, Uncle Scrooge! I found your token!
He didn't! We found it together!
But Donald, I threw my rabbit's foot!
I'll throw you down the stairs in a minute, you swindler!
HELP!
BOOM! BOOM!
Well done, Gladstone! Now the coin's fallen amongst the millions of other coins in the Money Bin! You idiot!
Use your rabbit's foot! You said it always falls where there's money! HA! HA! HA!
And he won't be getting any reward either! I'm going to find that token - if it's the last thing I ever do!
Many hours later... Rinngg ...
You want Unca Donald to take you to the cinema? What's on?
"Search For The Lost Treasure!"
I'd better go with you! Your Uncle Donald's got a long search on himself!

MICKEY'S PUZZLES

PICTURE THIS!

... going ... gone! This famous Pilasso sold for £7,500 to the gentleman in the first row!

BANG!

That's a lot of money for a picture!

Uncle Morty knows what he's doing!

What a day! I've got a real Pilasso!

It'll look fab in your lounge!

Hi, Uncle Morty ... sure, we'd love to ...

Isn't it nice of Uncle to invite us to see his picture hanging?

I'm really looking forward to it!

Doesn't it look great?

Oh, it's wonderful!

I don't want to spoil things for you, Uncle, but that picture looks like a fake to me!

A fake Pilasso? What makes Mickey think so? He isn't an art expert ... so how can he know?

The answer is on page 31.

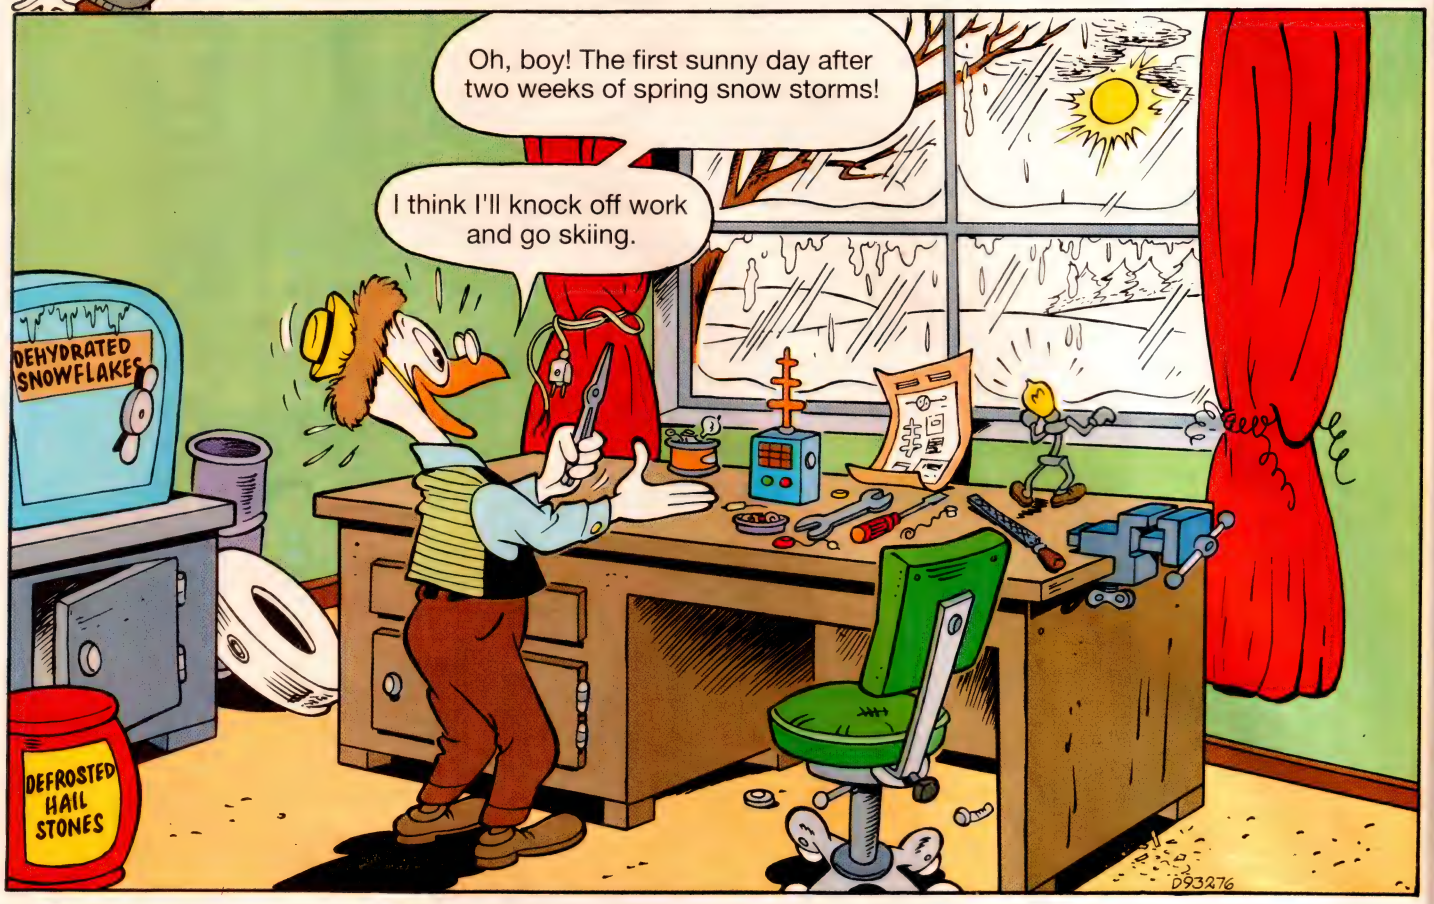
The Avalanche Predictor



Oh, boy! The first sunny day after two weeks of spring snow storms!
I think I'll knock off work and go skiing.
DEHYDRATED SNOWFLAKES
DEFROSTED HAIL STONES

It'll give me a chance to test my new avalanche predictor!
Before long, every skier will carry one of these in his backpack!

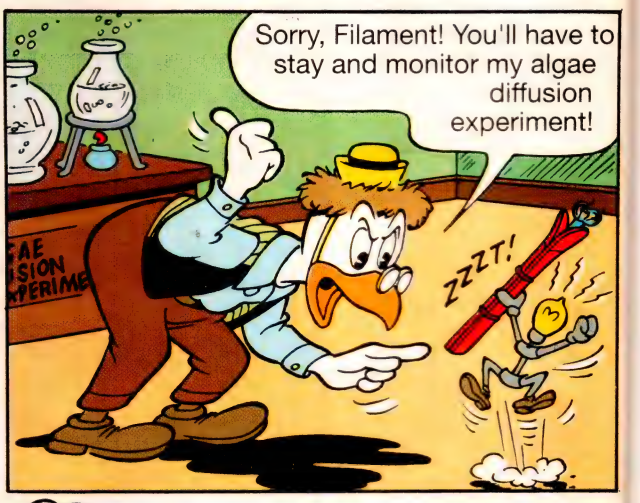
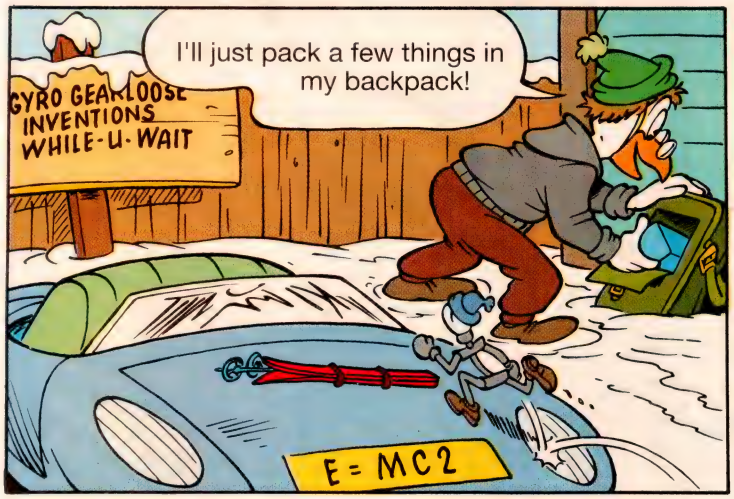
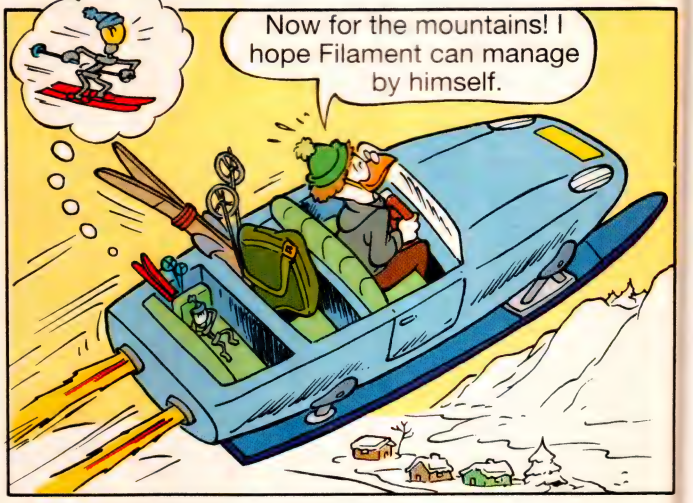
ALGAE DIFFUSION EXPERIMENT

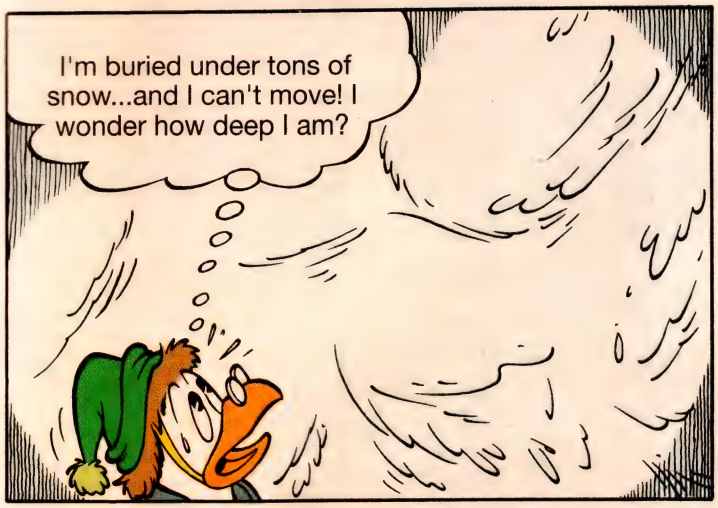




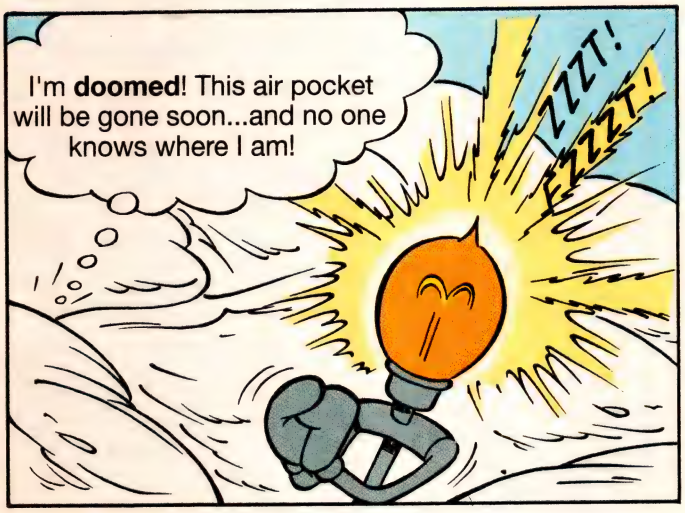


Soon...
With my invention in my backpack, I can enjoy a day of safe skiing!
You can't ski here, sir! The slopes are closed today!
AVALANCHE VALLEY CLOSED
RANGER STATION 7.
But I came to test an avalanche predictor I invented for skiers!
You've come at the right time, then! The wet snow is melting, so there could be a bad avalanche today!
Don't worry! My machine will tell me where it's safe to go!
I hope that guy knows what he's doing. Avalanche Valley's a dangerous place!
Keep an eye on my motor! I'll be back by two o'clock this afternoon!
I sure hope he's right about that!
I need really dangerous conditions to test my invention!
Later...
This looks like a good place!
ENTERING SNOWSLIDE CANYON
That overhanging snow looks dodgy ... I'll see if it's safe!
Okay, Predicto! Is it safe to go through this pass?

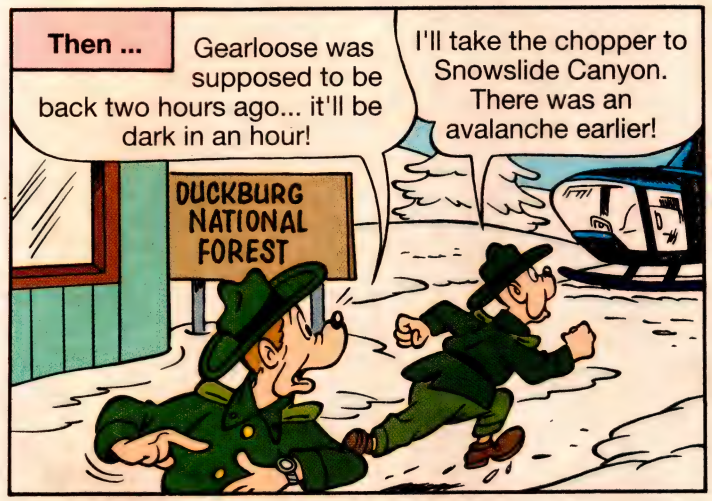
I'll aim the site scanner and set the distance recorder...
Snow temperature -6 degrees centigrade...wind speed 30 kilometres per hour...snow depth 5 metres...**beep!**
Moderate avalanche danger on southern cliff face until after sundown...**beep**!
Right! I'll be safe if I ski close to the northern cliff wall!
Soon...
Great! An **avalanche**! Good thing Predicto told me to stay **this** side of the canyon!
RUMMBBLE!
Minutes later...
Wow! It's really steep here! And **windy**, too!
Is it safe to go through, Predicto?
WHOOSH!
Extreme...mmrf.. lanche...fmmfr...ger...
What? I can't hear you in this wind!
EXTREME AVALANCHE DANGER! EVEN A LOUD VOICE COULD TRIGGER ONE! REPEAT -
WHOOSH!
RUMBLE!
ROAR!
Oh...**OH!**
Oh, my goodness!



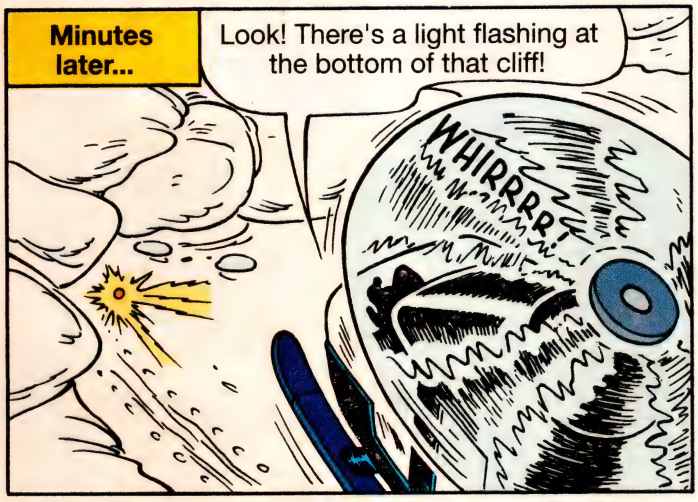
I'm buried under tons of snow...and I can't move! I wonder how deep I am?



I'm **doomed**! This air pocket will be gone soon...and no one knows where I am!
ZZZT!
EZZZT!

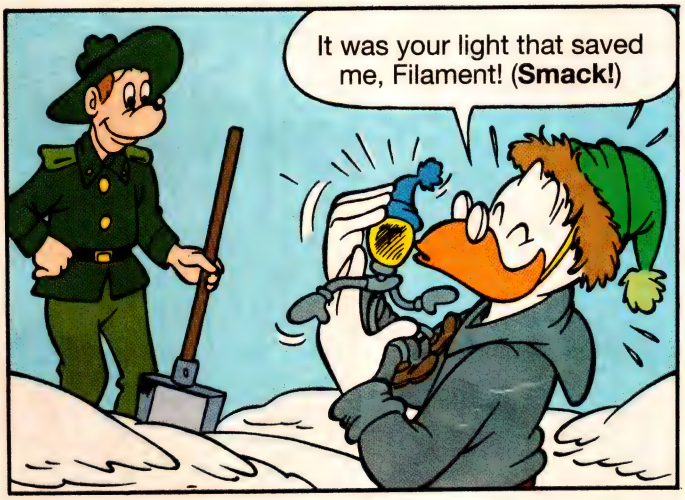


Then ...
Gearloose was supposed to be back two hours ago... it'll be dark in an hour!
I'll take the chopper to Snowslide Canyon. There was an avalanche earlier!
DUCKBURG NATIONAL FOREST

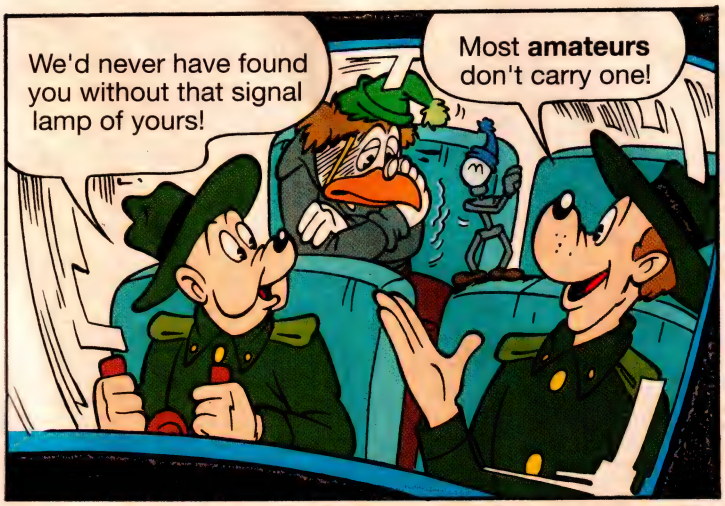


Minutes later...
Look! There's a light flashing at the bottom of that cliff!
WHIRRRR!

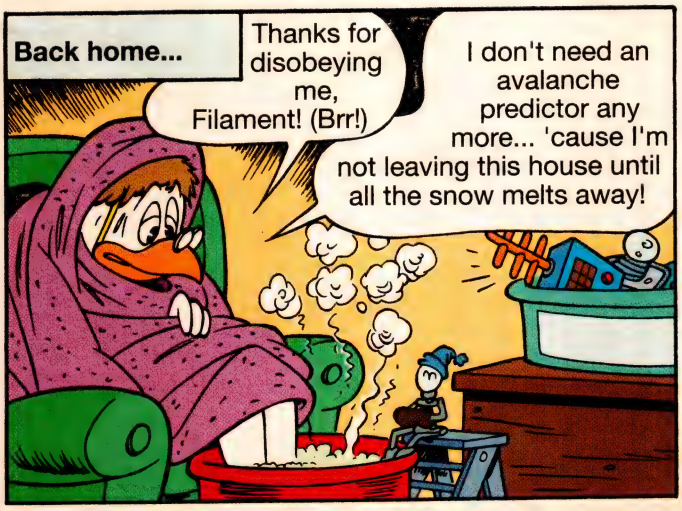
Hang on, Mr. Gearloose! We'll have you out in a jiffy!
Not a minute too soon!



It was your light that saved me, Filament! (**Smack!**)



We'd never have found you without that signal lamp of yours!
Most **amateurs** don't carry one!



Back home...
Thanks for disobeying me, Filament! (Brr!)
I don't need an avalanche predictor any more... 'cause I'm not leaving this house until all the snow melts away!

WACKY WORDS

John Young of Cumbria did this pic of Goofy!

I've just been to the magic kingdom,
I met Minnie and Mickey Mouse,
I had a great time,
Went on lots of rides,
And even went in their house!
Mark Sinkinson, Bournemouth.

Mickey and friends is really great,
I even take it to the school debate,
I take it with me in the bath,
While I'm in there it makes me laugh,
I also like reading Mickey in bed,
For its the only comic that should be read!
Margot Carter, Bognor Regis.

This drawing of Mickey was sent in by Zoe Townsend of Burton On Trent.
